Former City Clerk Killed In Auto Crash

JESD Adopts Budget: Calls For $3,800,000

Jefferson Elementary School District trustees, Monday night, adopted a tentative budget for the 1961-62 school year of $3,861,689. This is an increase of $380,000 over the budget in operation for the fiscal year which concludes Friday.

Trustees set August 7 at 8 p.m. for a public hearing on the budget. Should all go well, following the budget hearing, the trustees hope to adopt it as final.

Reason for the increase—the highest ever for the district—is due to an expected increase of 600 students, teachers' salaries, equipment and maintenance costs. District Supt. Richard Foster estimates that approximately $120,000 of the $380,000 increase will go toward paying teachers' salaries.

The 1960-61 budget, now nearing its last days, totals $3,481,072, which up until this year's budget had been the highest.

The new budget is based on a tax rate of $2.37 per $100 assessed valuation.

In other actions the board: hired four more teachers and two administrators, accepted the resignation of Mrs. Wilma House and Mrs. Nancy Pace, and released Gwen Campbell and James Larkin from their 1961-62 teaching contracts.

Revised and approved its maternity leave policy.

Approved the preliminary plans for the Lake Merced overpass.

Granted maternity leaves to Mrs. Patricia Dimond and Mrs. Barbara Schustak.

Adopted the third draft of the board policy handbook.

Accepted a gift of $200 from the Abraham Lincoln PTA and also a framed portrait.

Accepted a plaque from the American Institute of Architecture for an honor award for the Fernando Rivera School, and Foster was directed to send a letter of thanks to Mario Ciampi and American Institute.

Instructed Foster to develop a statement making it possible for the board, should it desire, to revise salaries for all employees after July 1 of the 1961-62 school year.

Instructed Foster to send letters to the Department of Finance telling them that the board was abandoning the Portola School site and the Thornton School site.

Priest Killed As Golf Cart Flips Over

A visiting Catholic priest was killed Tuesday afternoon at the Olympic Club Golf Course when the electric golf cart in which he was riding overturned on the 16th tee.

Dead is Father George Feeney, 45, who was on leave from his post as pastor of St. Theresa's Church in Phoenix, Ariz.

Riding with him at the time of the accident was Father Edwin Casey, 56, chaplain at the Presidio. Father Casey was thrown clear, but sustained major injuries. Father Feeney was pinned under the cart.

According to Daly City police, the accident apparently occurred when the cart was cut sharply on a slope to avoid a sprinkler.

Father Feeney was visiting his mother in San Francisco at the time of his death. Services will be held in San Francisco. Interment will be in the Catholic cemetery at Phoenix.

Mrs. Millar Gets Alumna Award From St. Mary's

Mrs. Mary-Ethel Halliday Millar, of 1120 Nimitz drive, Colma, recently returned to St. Mary's College in Notre Dame, Indiana—her alma mater—to receive the Evarista Brady Cotter Alumna Award for her years of work and interest for the college, and her devotion to her faith and her tireless help and devotion to friends and worthy causes.

Mrs. Millar, a native of Laramie, Wyoming, entered the school with a sister in the autumn of 1917. At Christmas of their second year at the school, both girls were baptised and confirmed, receiving their first Holy Communion.

Following graduation, Mrs Millar taught school in the west, and married her husband, Gilbert. The couple had two

ACCEPTING the Evarista Brady Coter Alumna Award is Mrs. Mary-Ethel Holliday Millar, of 1120 Nimitz dr., Colma (left) from Sister M. Madeleva, C.S.C., president of St. Mary's College at Notre Dame, Indiana. The award was presented earlier this month at commencement exercises. Mrs. Millar was cited for the work and service she has given over the years to St. Mary's and her faith.

B. C. Ross Dies Following Car Wreck; Funeral Pending

B. C. Ross, 80, long-time resident and city clerk of Daly City for 33 years died Monday in Highlands Hospital in Oakland from injuries suffered in an auto-truck collision on Highway 50 near Dublin on Thursday, June 22.

Funeral arrangements, at W. C. Laswell & Co., are pending.

Ross, who never married, is survived by a brother, Paul, of Angels Camp, who was vacationing in Montana when notified of his brother's death. He is en route to Daly City to make funeral arrangements.

Ross was born in Montana on August 7, 1881. He and his family moved to California early in the 1900's, and moved to Daly City in 1907. Since that time, he had always lived in the same house at 1807 Junipero Serra boulevard, Daly City.

He retired in April, 1956, as city clerk after having served in that post since 1923. He was succeeded by the present city clerk, Mrs. Evelyn Mosman, who was his deputy clerk.

Ross was mayor of Daly City in 1912, and from 1912 to 1920 he was a councilman. Three years later he returned as city clerk and remained in that post until his retirement.

He had been a member of the Crocker Masonic Lodge 454 for at least 40 years.

At the final city council meet-

Brisbane Voters Approve School Bond Issues

Two school bond issues totaling $1,275,000 were approved by residents of the Brisbane School District last week, with 667 votes cast in the election.

The election was for a $375,000 local bond issue, and a State aid loan grant of $900,000. It was the third time around for the two proposals. In two previous school elections, although there was always a majority vote in the affirmative, each time it lacked the necessary two-thirds vote to pass. This time the necessary two-thirds majority of the votes were cast.

Results from a canvass by trustees Tuesday night are as follows: local bond issue, 447 yes, 182 no, won by 71 per cent of the votes cast.

State aid: 437 yes, 202 no, won by 68 per cent of the votes cast.

The money will be used to build an addition to the Whitman Intermediate School and for purchase of a school site, and for providing of facilities for approximately 750 youngsters who will be living in Southern Hills, new Daly City subdivision, which lies within the Brisbane School District.

Council Approves Map For New Development Of Westlake Homes

Henry Doelger's tentative map of Westlake 1-B, a tract planned for 106 homes, which will be nestled in the northern portion of the city, was approved Monday night by the City Council, but only after nearly an hour of wrangling with homeowners from the general area, whose primary concern was an increase in traffic flow which would result if the street pattern remains as is on this map.

Present to discuss the map's traffic pattern was Carl Timmons, a representative of the Doelger Corporation, and Edward Molkenbuhr, Jr., 296 Wilshire avenue; Milton Reiterman, 294 Wilshire avenue; and A. M. Razzio, 138 Wilshire avenue. The latter three are residents of the area involved.

Basically, the three men were concerned about the increased traffic flow that would be caused on Cliffside drive and Wilshire avenue from future residents of the tract as they drive up El Portal Way to Cliffside, which runs opposite to El Portal, and on to other streets, namely Wilshire to get to and from Lake Merced boulevard.

Another chief concern expressed was the fear that drivers going down Alemany boulevard, in order to avoid traffic signals at Sheffield, Park Plaza, and Lake Merced boulevard, might turn in on Sheffield to Wilshire, continue down Wilshire to El Portal, take El Portal over to Lake Merced.

It was here that the gentlemen were emphatic when they said in essence, "We don't want a thoroughfare or speedway made out of Wilshire, nor to overload the intersection of Cliffside and Wilshire!"

All three opposed opening up El Portal west to Lake Merced into the tract, because it would add to the traffic flow. City Engineer William Chapman said San Francisco opposed such an idea, too, because of the increased flow it would place onto Lake Merced, with cars either turning off of Lake Merced onto El Portal or from El Portal to Lake Merced. San Francisco owns Lake Merced boulevard, and therefore controls it.

In Doelger's first map, El Portal was drawn extending out to Lake Merced, which San Francisco frowned upon. A revision has removed that.

Another thorn in the map was a piece of property north

(Continued on Page 2)

MEETING CALLED TO CONSIDER SCHOOL BOUNDARY CHANGES

A meeting between Dist. Supt. Edward Morgan, representatives from the San Mateo County Planning Commission. The Jefferson Elementary and High School Districts, and South San Francisco Unified School District, has been called by Morgan to discuss a natural southern school boundary for the Jefferson High School District. The meeting will be held Friday morning in Morgan's office.

At present, the Jefferson High School District, as does the elementary Jefferson Elementary School District, extends south to the Chinese cemeteries. The commission has informed Morgan that it thinks the boundary should extend to the lateral freeway on its land use map.

Morgan explains this is unfeasible because the elementary school district is building the Christopher Columbus school south of the proposed lateral now. South City's school district begins where the Jefferson district ends.

The meeting has been called to "explore" possible means to come to an affable agreement as to where the boundary might be drawn on the county's land use map.

Jefferson High has informed the county planning commission when and if the Christian lands are developed, and a map of it comes before the commission. There will be a need to build a high school there. The Christian land is south of the lateral.

Morgan informed the board that Oceana High School, that is the administration building, will open in December 20, 1961, with the gym building scheduled to open in March, 1962.

Morgan informed the board that Terra Nova High School is 73 per cent finished.

After hearing a report from Lou Martin, business assistant, the board concurred with Martin's findings that it is more reasonable for the district to continue to hire its own gardener's and not go through a private firm for this service.

The board set July 7 as date to open bids for the grading behind the cafeteria to the football field, except for the tennis courts. A report will be made to the board on its meeting July 10.

San Carlos Youth Being Held For Tavern Burglary

A 22-year-old San Carlos youth was arrested last week by local police a few hours after he burglarized a local taven of over $77.

Police arrested Theodore Amirkhan at work Thursday morning, after an investigation of Wednesday night's burglary of Duffy's Tavern, 6398 Mission

(Continued on Page 2)

DC PATROLMAN IS SUSPENDED FOR DRINKING

A Daly City patrolman has been given a five-day suspension for drinking while on duty. He is Police Officer James Bergstrom, a veteran of nearly six years on the force.

According to Police Captain Roy Beecher, Bergstrom will work the five days he was suspended for on holidays, in lieu of time off. Beecher called Bergstrom's past record a good one, and said he regretted having to take the disciplinary action.

B'MOOR LEGION AGAIN TO GIVE POLIO SHOTS

Polio shots will again be given under the sponsorship of Broadmoor American Legion 842 on July 1 at Benjamin Franklin School in the music room. There will be a $1 charge.

A physician and nurses will be present to give first, second, third and booster shots.

Hours will be from 9 a.m. to noon, and from 1 p.m. to 4 p.m.

The legion sponsored a polio shot program last month, and because of the unexpected turnout, were forced to turn away 100 persons after handling slightly more than 1,000.

* Everyone is urged to get his or her shots, as this is the height of the polio season, according to Mrs. Dick Napoletano, chairman of the auxiliary.

Jefferson High Trustees Approve Tentative Budget

Trustees of the Jefferson Union High School District Monday night put their final approval on a tentative budget amounting to $2,983,191, an increase of $521,734—or nearly one-half million dollars—over the present budget of $2,461,457.

The budget will go to the County Superintendent of Schools for study, and the same budget will undoubtedly be published with little change. A public hearing must be held before adoption, which is expected sometime in early August.

Reasons for the boost in the budget are the operation and maintenance of a brand new high school, plus an additional boost in money output for teachers' salaries, allowing for necessary increments and the hiring for more teachers to meet expected student enrollment, which is expected to jump by some 600 pupils.

The new budget, as have previous budgets in the past few years, is based on a tax rate of $1.37 per $100 assessed valuation, and what with opening a new high school (Terra Nova), Dist. Supt. Edward Morgan calls it a "remarkable tight budget." Trustees have been working diligently over the past weeks in an attempt to "shave" expenditures down to the "very bone," allowing output for only those items "absolutely felt necessary to operate," he said.

The new budget is broken down into two parts. The first part is referred to as total current expenses; this includes administration, instruction, auxiliary services (nurses, special psychologist, psychiatrist, etc.), operation, maintenance, fixed charges (insurance and retirement), and transportation. All of these items are up.

The other part covers food service (cafeteria), community service, and capital outlay, each of these are higher.

Breaking the items down, it shows the following: administration, $80,249, up $1,400 over the previous $78,849; instruction: $1,738,370, up $297,460 over the previous $1,490,910; auxiliary services, $77,907, up $5,464 over $72,433; operation of school plants, $278,354, up $64,772 over $213,582. Here is reflected growth what with the opening and operation of a new school. Instruction is $96,860, up $14,588 over $82,272.

Maintenance is $80,319, up $19,357 over $60,962; fixed charges, $118,579, up $10,502 over $108,077; Transportation, $86,274, up $20,970 over $65,304.

This part of the budget comes to a total of $2,779,238, as possessed to last year's $2,303,783, an increase of $475,455 over last year's budget.

In the other part of the bud-

Store Owners Fined $1,050 For Smut Sale

A local couple, owners of the Daly City Cigar Store, 6264 Mission street, Thursday were fined a total of more than $1,000 between them for selling obscene literature in their store, and were placed on a year's probation each.

Jack Shaver, 56, was sentenced to 30 days in county jail, 15 of which were suspended, placed on a one-year summary probation, and fined $525.

His wife, Mae, 50, was sentenced to 30 days in county jail, which was suspended, placed on a one-year summary probation, and fined $525.

The couple appeared before Judge Charles Becker in Municipal Court Northern Judicial District in South San Francisco. They were found guilty of three charges by a jury on May 29 following a five-day trial. They were charged with selling, keeping for sale, distributing and exhibiting indecent writing.

Police raided the cigar store sometime ago, and seized 700 paperback books, with such juicy and suggestive titles as, "Sex Pot"; "Sex Gang"; "Sex Jungle"; and "Naked Holiday." Police here said they repeatedly asked the Shavers to remove such lurid books from their shelves. When they did not, they raided the store and arrested them.

City OK's Variances, Permits; Handles Routine Matters

City Council Monday night approved all of the requests for either variance or use permits, and also handled a number of routine matters.

The following use permits were granted:

To Lorraine M. Truax to give piano instruction at 67A Miriam street.

To Electrical Products Corp. to install a flashing sign for Home Mutual Savings, 5 Southgate avenue.

To Henry Doelger Builders to erect sign reading "Westlake."

To Sanford's for two signs on existing pole at 7217 Mission street.

To Forrest A. Straight for erection of electrical sign on a building at 1969 Junipero Serra.

To Art-Craft Neon to install flasher unit in sign at 2089 Junipero Serra boulevard.

The following variance permits were granted:

To Golden Gate Builders of San Francisco to reduce front setback 15 feet to 10 feet and reduce number of parking spaces from 100 per cent to 75 per cent on property on the southwest corner of 88th street and Edgeworth avenue and northwest corner of 89th and Edgeworth.

To Golden Gate Builders to reduce front setback from 15 feet to 10 on northeast corner of 88th street and Edgeworth.

(Continued on Page 2)

NEW BUDGET NOT READY; OTHER MONEY IS SOUGHT

An appropriation totaling $331,900 to operate city departments, meet salaries, expenses and incumbrances in lieu of the 1961-62 budget not being ready, was authorized by the City Council Monday night.

The figure is expected to carry the city through the month of July, allowing the council time to finish work on the budget, hold a public hearing on it, and adopt it.

The fiscal year runs from July 1 to June 30, and normally a new budget is readied and goes into adoption on July 1. However, because of delays, the new budget will not be ready when the fiscal year begins, therefore, the council must "acquire" money in order to operate temporarily until the budget does go into effect.

Money for the appropriations will come from revenues not having to do with the tax rate. This includes money from the motor vehicle fund, water department, capital outlay, sales tax, and business licenses.

The appropriation was approved unanimously by the council.

The council is in the homestretch of studying a proposed $2,800,000 budget, which will establish an all-time high for Daly City. Also under study is a 10-cent hike in the tax rate.

VACATION Church School of the Broadmoor Presbyterian Church began on Monday, June 26, to continue for two weeks, 9:30 to 11 a.m. for three year olds through sixth graders. Pictured above are some of the 36 teachers and youth helpers in last year's school. Left to right: Fran Dethlefsen, Bunny Gillespie, Ann Hollenbeck, Marjie Tweedie, Barbara Keehnan, Bea Hicks, Phyllis Knight, Lois Floyd, Jean Frisch, Pat Mattson, Marge Choisse, Penny Tweedie, Grace White and Judy Johnson. There are 33 teachers and leaders at this year's school: Genie Gray, director; Toni Hansen, nursery department leader; Bea Meade, first kindergarten leader; Eleanor Raymond, second kindergarten leader; Leah House, first promary leader; Betty Holcomb, second primary leader; and Zelma Baxter, punior leader. Teachers and assistants are Evelyn Long, Judy Johnson, (Mrs.) Grace Paoli, Grace Paoli, Mary Fisher, Jeanette Barber, Robin Frisch, Carol Barber, Claudia Guz, Debbie Leech, Ginny Jones, Linda Long, Lynn Jones, Jeff Caldwell, Lloyd Caldwell, Karen Johnson, Kathy Leech, Barbara Suenderman, Patty Gray and Charles Barber. Others helping in special capacities are Fran Dethlefsen, Kay Mattson, Wilma Getchel, Pat Mattson, Marjie Tweedie and Del Severy.

OBITUARY

Jerry Horkey

Funeral services were held Monday afternoon for Jerry Horkey at the mortuary of W. C. Laswell & Co. He died Friday at his home. Interment was in Cypress Lawn.

Horkey, who lived at 25 E. Cavour street, was a native of Illinois and had resided in California for 50 years. He was a member of Brewers & Malsters Union Local 893 and I.O.F.

He is survived by his wife, Thelma; a son, Richard; daughters, Mrs. Marie Colombana and Mrs. Anita Vincent; grandchildren, Mrs. Charlotte Colombo, Jack Vincent, and Daniel Colombana. Also surviving are four

(Since 1925)
7100 Mission PLaza 5-1100

City OK's

(Continued from Page 1)

To Henry Doelger Builders to vary maximum height from 36 feet to 43 for erection of a sign on S. Mayfair avenue.

To Kiskup and Bennett to reduce setback from 15 feet to zero feet on property on Templeton avenue and Estrada way.

In other actions the council:

Accepted the bid of $5,969.60 from Western Traction Co. of San Francisco for a tandem roller and trailer.

Accepted the bid of Roscoe Moss Co. of Los Angeles to construct Westlake Well 3 on Benjamin Franklin School property. Bid was for $19,922.

Approved, following a public hearing, the rezoning of the Carp annexation on Third avenue between Market street and Castle street from U to R-3.

Set Monday, August 14 at 8 p.m. as date and time for a public hearing on BRB Homes annexation, which consists of four lots north of Daly City adjoining Crocker Estates.

Held first reading on annexing Olcese property.

Passed a resolution authorizing agreements for the Junipero Serra lateral and interchange at Skyline with the State Highway Commission.

Ordered a letter from the county regarding apportionment of supervisorial districts to be filed for later study.

Approved a contract with the state Co-operative Personnel Services to prepare the city's civil service exams.

Approved water service and installation of a 5-8 inch water meter at 290 Station avenue.

Appointed Sarah Kelecheva to a new three-year term to the Library Commission. Her term will expire as of June 30, 1964.

Agreed not to abandon Acton street between Bellevue and Frankfort streets at the recommendation of the city engineer.

Denied claims of either property or personal damage submitted by Mrs. Arthur W. McIver and Robert H. Cohn for Abbey Conn, and referred them over to the city attorney.

San Carlos Youth

(Continued from Page 1)

street. Police said that Amirkhan immediately, upon questioning, admitted he was the one who had committed the burglary while a customer in the tavern.

Amirkhan was booked in Daly City jail, and later released on $550 bail. He is scheduled to be arraigned in the Municipal Court of the Northern Judicial District on Thursday.

The burglary occurred about 9:30 p.m. at Duffy's Tavern, 6398 Mission street, police said. Amirkhan had been drinking in the bar since about 7 p.m. according to police. On pretense of going to the men's lounge, he went to the door of a nearby storage room, which he found locked, and pried off the lock by using a mop handle, police declared.

He then went into the storage room where he found a money sack filled with $50, which he took, along with $27.25 in coins he found in a cash box in an adjoining room, police added.

He then came back into the bar, and went out to his car where he stored the money, and then returned to the bar to continue drinking and talking with the bartender, according to the police.

The burglary was not discovered until about 7:30 a.m. Thursday when the owner, Frank Duffy, came to work. Upon evidence furnished by the bartender, police were able to arrest Amirkhan.

Arresting officers were Robert Stables and Sgt. Charles Terry.

Police early Thursday arrested Maurice Leon Simmons, 20, 19 First avenue, Apt. 3, at the request of the San Francisco City Police on a charge of suspicion of grand theft auto. He was turned over to San Francisco and booked in city prison.

The Henry Doelger Co., 333 Park Plaza drive, has reported the theft of a large, 150-pound juniper tree from the rear of Home Mutal Savings at Southgate and Park Plaza. Value has been estimated at $40.

Helen Duskin, 1142 Southgate, has reported the theft of a girl's 20-in. red bicycle, valued at $35.

INSECTS

Insects have no lungs, according to the National Automobile Club. They breathe by means of tubes running all through their bodies.

The first regular monthly freight and passenger service between San Francisco and the Orient was established in 1867 by the Pacific Mail Steamship Co.

SEX AND SIXGUN techniques of recruiting are demonstrated to a group of coaches attending the First Annual Football Clinic at San Francisco State College by Lynette Fishel, (Miss Daly City), and Frank James, quick draw artist from Frontier Land in Linda Mar. Lynette and James also extended invitations to the attentive gridiron generals to attend Daly City's Golden Anniversary Celebration, Oct. 7-14. The coaches are (standing, L. to R.): Larry Siemering, Cabrillo College, Santa Cruz; Vic Rowen, San Francisco State College; Tiny Campora, College of the Pacific; (kneeling), Will Lotter, University of California at Davis; Joseph J. Verducci, San Francisco State College athletic director and clinic host; Marvin D. Levy, University of California at Berkeley. The clinic began June 19 and will continue through this Friday.

El Camino Real To Serve As Stage Route For Fiesta

The traffic-laden lanes of bustling El Camino Real will serve as the stage for a display of the travel modes of another era on August 12 when Daly City residents will turn out en masse to attend the San Mateo County Fair and Floral Fiesta.

This will be the route over which a caravan, headed by a stagecoach carrying Mayor Robert B. St. Clair and Daly City's two queens, will travel from City Hall to the San Mateo County Fairgrounds.

The stagecoach passengers, however, will receive an assist not available to regular travelers of the era they will depict.

When the coach leaves City Hall it will be pulled by a team of horses but to speel up the line of march, the horses will be unhitched in Colma and loaded into a modern van.

The van will pull the coach to San Mateo, where the team will be unloaded and hitched up again for a grand entrance to the Fairgrounds.

The caravan, which will include a lineup of vintage automobiles provided by the Daly City Horseless Carriage Club, and the day's program at the Fair will call attention to Daly City's Golden Anniversary Celebration, October 7-14.

It will arrive in early afternoon and will be followed by a demonstration in quick draw artistry and firearm safety by Frank James, general manager of Frontier Land in Linda Mar.

James, who is billed as the fastest gun in the West, will appear immediately before a concert by the Daly City Municipal Band.

He will arrive at the Fairgrounds in full Western regalia as the outrider for the stagecoach caravan.

The special Saturday program will climax a week-long display of Daly City's "Century of Progress in Half the Time," which will be featured in a booth at the Fair.

Lynette Fishel, Miss Daly City, and Mrs. Melford Battye, Mrs. Daly City, will participate in the week's Fair program and will be the featured passengers in the caravan.

"We are proud of our achievements in Daly City and we plan to exploit every opportunity to call them to the attention of the thousands of people attending the Fair," Frank Pacelli, executive chairman of the Golden Anniversary Celebration, declared.

"We think we have a program that will be of interest to all ages and we hope to invade the Fairgrounds with the largest delegation any city in San Mateo County has ever assembled."

Dr. Willard Libby Tells Meaning Of Radioactive Fallout

Radioactive fallout has become one of the most fashionable gambits in atomic age conversations, but what does it actually mean and how is it produced?

An expert explanation is given by Dr. Willard F. Libby of UCLA, the 1960 Nobel Prize winner in Chemistry and for five years a member of the U.S. Atomic Energy Commission.

Radioactive fallout is the radioactive debris of nuclear explosions, made up of materials formed by the fission (splitting) of uranium or plutonium atoms.

These fission products, including strontium-90, attach themselves and become part of the solid particles formed by the cooling gases of the fireball, dust already in the air, and dirt from the ground in surface bursts over land.

After the explosion, the solid, dust, and dirt particles return to earth, carrying the fission products with them. This, basically, is radioactive fallout.

Radiation from the fallout comes in two forms, short range electron (beta) radiation and the more penetrating gamma radiation. Ordinary clothing is enough protection against electron radiation, which is harmful only when taken internally, through food and drink, or comes in direct contact with the skin.

On the other hand, gamma radiation is so penetrating that a shield of one of two yards of earth or concrete is needed for full protection under heavy fallout conditions.

Tracy, located in San Joaquin County, is reported by the National Automobile Club to be the seat of such important industries as dairying, canning and sugar manufacturing.

B. C. Ross

(Continued from Page 1)

ing Ross attended as city clerk, some 80 persons who had assembled in the council chambers stood and gave him a half-minute ovation. He was presented with a television set as a farewell gift by his fellow city employees.

get, food service, $500, up $101 over $399; community services, $41,693, up $20,137 over $21,556; capital outlay, $54,560, up $19,560 over $35,000 (this is civic center money, the rest of the money for capital outlay comes from the general fund, and totals $126,438, $45,957 over $80,481. Here again is reflected the tremendous growth within the district during the past year.

Council

(Continued from Page 1)

of the tract, which, although it is in San Mateo County, is owned by San Francisco. Timmons said Doelger has a 56-foot easement across this property, which is planned for a street, an extension of El Portal, and running north into San Francisco County and down to Lake Merced boulevard. Doelger does not own this piece of property. Whether this proposed route remains in the final map is now questionable. Flaws with this routing were brought out.

Councilman Frank Pacelli explained that the entrance into El Portal from Lake Merced into the tract could be controlled by the City of San Francisco, causing additional major traffic problems.

Chapman gave a report as to what alternate routes might be taken to alleviate heavy traffic flow, but each route had a problem of some kind, such as impossible police or fire protection, or a "cut off" from the rest of the city for the tract, etc.

Mrs. Morris Weinberg, 277 Wilshire avenue, urged better planning in the traffic pattern for the tract.

Those persons protesting were residents of Westlake 1-A, which lies south of the proposed tract.

The councilmen and the three protesters once again studied and discussed the map. Finally, Pacelli urged that the map be approved as is for now, and a study be made by the city engineer of an access road onto Lake Merced going south by way of a portion of the Fernando Rivera School property, and making entry onto Lake Merced at an exisiting access point north of the Daly City Fire Station on Lake Merced boulevard.

A vote was taken, and the map was approved unanimously.

THE FORK in Los Banos avenue, which veers off into Los Olivos street as it looked about 1910. There certainly is quite a change in the old street, isn't there? The gravel street in the foreground running the width of the picture is Mission street. The dark, two-story frame building to the right was a saloon when this picture was taken. Vista Grande Market now stands there in its place. The small, dark building on the corner of Mission and Los Banos then was a real estate office. Standing there today is the bakery. The white frame building at the left was the town grocery and butcher shop. Shannon's Hardware now takes its place. If you look toward the center of the picture, slightly beneath the mountains, you will see great patches of barren land, which is now Westlake. Picture belongs to Mrs. Leona Reposa, 67 Hillcrest drive.

It's News To Vets

QUESTIONS AND ANSWERS

Q—I'm an honorably discharged World War I veteran. Should I reserve a gravesite in a national cemetery now to make sure my wife and I can be buried there?

A—No, you cannot do this. The gravesites are not reserved in advance.

Q—My wife was a veteran who died of a service-connected disability in 1948. I have now become ill myself and am unable to work. Will I be entitled to a pension?

A—There is no provision for pension payments to widowers, even in the case where the deceased wives had service-connected disabilities, unless the widower was physically or mentally unable to support himself and was completely dependent upon his wife.

Q—My son was released from active duty but is still held in the reserves. He has no discharge certificate. Is he eligible to apply for VA benefits?

A—Yes.

Q—Who gets the burial flag used to drape the casket at funeral services?

A—The American flag, provided by the VA, used to drape the casket of deceased veterans may be given to the next of kin or close friend or associate of the deceased.

SCHEDULE LISTED FOR RC's RODEO, JULY 4 CLEBRATION

For those Daly City people who are thinking of taking in the 22nd Annual Redwood City Rodeo and Fourth of July celebration in Redwood City during the Independence Day weekend, following is the schedule of activities:

Saturday, July 1

12 noon—Concessions operated by 25 Peninsula organizations and rides from Craft Shows open until midnight on Rodeo grounds.

12 noon—Public reception at Port of Redwood City for U. S. Submarine and Minesweeper docking at Port as part of celebration. Ships open for public inspection until 4:30 p.m.

2 p.m.—Free boxing exhibition in Rodeo arena sponsored by Redwood City Police Youth Club.

Sunday, July 2

9 a.m.—Ships open for public inspection at Port of Redwood City until 11:30 a.m. and again from 1 to 4:30 p.m.

12 noon—Concessions on Rodeo grounds open until midnight.

2 p.m.—Grand entry into Rodeo arena for first Rodeo performance.

Monday, July 3

9 a.m.—Ships open for public inspection at Port of Redwood City until 11:30 a.m. and again from 1 to 4:30 p.m.

12 noon—Concessions open on rodeo grounds until midnight.

5:30 p.m.—Grand entry into Rodeo arena for "Twilight" Rodeo starring Marshal J. of television fame.

Tuesday, July 4

9 a.m.—Ships open at Port of Redwood City for public inspection until 11 a.m. and again from 1 to 4:30 p.m.

10:30 a.m.—Traditional two-hour Fourth of July Parade in downtown Redwood City; over $5000 in prize money and trophies; theme "California Frontiers—Old and New."

12 noon—Concessions open on Rodeo grounds until midnight.

2 p.m.—Grand entry into Rodeo arena for third and final Rodeo performance.

9:30 p.m.—Hour-long fireworks display free to public from Rodeo arena conducted by Redwood City Fire Department.

Five Are Honored By Rec Dept. For Youth Work

Tribute was paid Monday night to five local men by the Daly City Recreation Department for their volunteer work and outstanding leadership with Daly City's youth.

Those presented with certificates of merit were Lester Bastido, George Benson, Walt Gillies, Everett Hike and Jim Davis.

Charles Vincent, director of recreation, made the presentations.

The certificates highlighted an informal get-together of coaches and managers in the Daly City League held in the Sky Room of the Hamms Brewery in San Francisco.

Among the many guests present were Daly City councilmen Edward J. Dennis, Michael DeBernardi, Frank Pacelli, J. J. Verducci and City Manager Edward Frank.

Robert Seymours Off To Hawaii

Mr. and Mrs. Robert C. Seymour, 89 Maywood avenue, Westlake, were among the passengers recently aboard Matson Lines' luxury liner Lurline sailing for Hawaii from San Francisco.

Seymour is the principal of San Francisco Unified Schools.

Wrecking Derby To Highlight County Fair

Entertainment highlight during the annual Alameda County Fair will be a "mass destruction derby" on Sunday afternoon, July 16, before the main grandstand with 100 old cars being demolished.

First such event ever staged at the fairgrounds in Pleasanton, the Northern California Championship Destruction Derby will be limited to 100 cars, with teams of 4 drivers each competing for $1300 in prize money. Last car running wil get first place money for that team, $800, or $200 per driver. Second place award is $400, third $100.

Unique in the field of auto mahem, the cars will be allowed to smash into one another during 15 minute periods like a football game, the mechanics attempting to get stopped cars back in action during "intermissions." Fourth period of the derby runs until only one car is still moving.

Events of this nature have attracted in excess of 10,000 spectators in other areas. Drivers of the cars are protected by safety rules, including glass removal from cars, the use of seat belts, wearing of safety helmets, and other rules, set forth by the National Association for Stock Car Auto Racing (NASCAR) for such events on the Pacific Coast.

The destruction derby is open to all comers, NASCAR

Thomas West Ends Air Planning Class

Army Reserve Maj. Thomas J. West, 46, whose wife, Jessie, lives at 1496 S. Mayfair avenue, Daly City, completed the air transportability planning course at The Transportation School, Fort Eustis, Va., recently.

The course is designed to train warrant and commissioned officers of all arms and services to serve as unit instructors in the aerial transportation training of their respective organizations.

Work Starts On Making Bridge Stronger, Wider

Steel plates 42 feet long will be bolted under tension to most of the upper deck transverse beams of the San Fransisco-Oakland Bay Bridge in another major step toward adapting the big span for one-way traffic on each level.

A six-month job started on the West Bay section by American Bridge crews from U.S. Steel will strengthen the floor beams of the upper deck to accommodate heavier commercial vehicles.

The ultimate project is to provide a five-lane roadway on each level which is scheduled for completion in 1963.

Some 350 twelve-inch high strength steel plates will be fastened to the lower flange of the floor beams. The job will require about 20,000 high strength bearing bolts. Workmen have started the drilling of holes in the beams for the steel plates.

The heavy steel plates will actually be stretched into position by jacking, and will be held under permanent tension by fastening to the existing beam. The operation will require first the bolting of one end of the plate, then the tensioning by a hydraulically operated stressing device, drilling the bolt holes through the flange of the existing beam and bolting.

American Bridge will also adapt about 3,000 stringers, which support the upper deck roadway, to act compositely with the concrete floor slab. The strengthening will require the addition of some 6,000 plate brackets, fastened in place by 12,000 high strentgh bearing bolts.

Plans for the unique method of stngthening the floor system to meet present-day loading requirements were devised by the Division of San Francisco Bay Toll Crossings, California State Department of Public Works. It is believed that this is the first time an existing major bridge has been modernized by this means.

The upper deck of the bridge when completed will handle westbound traffic to San Francisco and eastbound Oakland vehicles on the lower level.

Gardener's Checklist

1. A regular feeding of acid plant food will promote more plant vigor in Bird of Paradise plants.

2. Most California native plants prefer summer dryness, so don't feel sorry for them. You can kill them with kindness.

3. If you like red in the garden, plant a bed of Salvia splendens (Scarlet Sage). Give it full sun.

4. Make your final cutback on Chrysanthemums before the middle of July.

5. Pick seed pods off Fuchsias and you will prolong bloom. Better to pick the faded blooms before they form seed pods.

S.F. Man To Head Fibrosis Drive

At a general meeting held on June 15, the San Francisco chapter of the National Research Foundation for Cystic Fibrosis chose Stephen Goulding of San Francisco as general chairman for Cystic Fibrosis Month. This drive will be held in September.

Anyone interested in giving assistance, please contact Goulding at 2009 San Jose avenue, San Francisco; or Kenneth Litchfield, 387 Higate drive, Daly City.

The chapter is also planning a diner to be held in October at the San Francisco Athletic Club, and a picnic on July 4 at Rancho de los Ojos Azules in Napa.

SF Probation Officer Speaks To Rotarians

Mrs. Ethel Lee, probation officer in charge of San Francisco's neglected children received at the San Francisco Juvenile Hall, spoke to the Daly City Rotary Club recently on juvenile court problems, and on an insight into the problems of delinquency today.

Mrs. Lee said that more than 4,000 children are wards of the court in San Francisco, some 2,500 of them are classified as neglected, with the remainder of them classified as delinquents.

Program chairman was Dr. Edward Saslaw.

DAR, Presidio Group Tells New Officers

Mrs. Herbert W. Hopkins, of Daly City, retiring regent of Presidio Chapter, Daughters of the American Revolution, has announced the names of the officers of the Chapter for 1961-62.

They include: Mrs. Arthur R. Johnson, regent; Mrs. Charles Rost jr., vice-regent; Mrs. Sayler E. Smith, chaplain; Mrs. Charles R. Hall, recording secretary; Mrs. Freeman L. Young, corresponding secretary; Mrs. Ruth Greenhouse, treasurer; Mrs. Herbert L. Reid, registrar; Mrs. Joseph B. Cooley, historian; Miss Isabelle M. Boyd, librarian; and Mrs. Herbert W. Hopkins and Mrs. Harry C. Crotty, directors.

Keep your car mechanically sound, advises National Automobile Club.

More Teachers For High Schools In September

There will be a total of 195 teachers within the three high schools this September to meet an expected 4,100 student enrollment, an increase of 600 over the approximate 3,500 for the school year just concluded, according to Dist. Supt. Edward Morgan.

A total of 32 new teachers have been hired for the three schools — Jefferson, Westmoor, and Terra Nova. Of this 32, 18 will replace those who are leaving the district for one reason or another, the others will fill new positions, he said.

This figure does not include principals, nurses, deans, etc. Counting them, there is an additional 28 for a total of 223, or an increase of 20 over 203 for 1960-61.

Lundy Reappointed Head Of St. Paul's

Reappointed for the third time to St. Paul's Methodist Church as pastor is the Rev. Robert A. Lundy. Bishop Donald Harvey Tippett made the appointment at the close of the recent 113th annual session of the California-Nevada Methodist Conference held at Stockton, California.

The official board of the church, John Rummell, newly appointed president, will meet on Monday, July 3 at the church at 7:30 p.m.

Mel Vogel Opens Warehouse Sales

Mel Vogel, former manager-owner of the toys-linens-infants departments at the United Shoppers (USE) discount department store announces that

he has severed all conections with the USE store.

Vogel, head of the EMVEE Co. is now operating his own Discount Store in what was his former warehouse—just two blocks south of his former location—at the crossroads of Alemany boulevard and San Jose avenue.

In the business of buying and selling toys and infants wear for over seventeen years, Vogel points out that he is now able to merchandise at even lower prices than in his former location.

Mel reminds his many friends and customers that he is carrying the same merchandise, but with a much larger stock and selling area. The same sales personnel are on hand in the new warehouse store, including: Henry Ploechinger, manager; Bernice Bray, Estelle Blumberg and Serina Ratto, all of whom will be looking worward to seeing their old friends and customers.

Pacifica Seaman Is Aboard Destroyer

Crewmembers of the radar picket destroyer USS Fechteler visited Portland, Ore., recently with nine ships of the U.S. First Fleet to participate in the 53rd Annual Portland Rose Festival.

Serving aboard the destroyer is Melvin E. Sparks Jr., sonarman seaman, USN, son of Melvin E. Sparks of 601 Brighton terrace, Pacifica.

"Why Johnny Can't Read" To Be Discussed At USF July 3 To July 14

Why Johnny can't read and what the teaching profession is doing about it will be explored in a two-week workshop at the University of San Francisco between Monday, July 3, and Friday, July 14.

Since Sputnik there has been great national emphasis on intensifying curricula in math, science and foreign languages with the result that English and the humanities have been neglected, according to Dr. Paul Diederich, Educational Testing Service (College Boards and Aptitudes), Princeton, New Jersey.

The USF workshop has been specifically planned to focus on new approaches in the teaching of English on the secondary level.

Improving the general reading level, how to get students to do more creative writing, grammar and physical facilities for better teaching will be considered. In addition, there will be reports on two forward-looking experiments in English teaching now in effect. One is the "Rutgers Plan" initiated in the New Jersey schools in 1958. The other is the "Newton High School Experiment," Newtonville, Massachusetts.

A special feature of the institute will be the demonstration of electronic teaching aids. One machine to be displayed is used to drill grammar without a teacher. Another is a closed circuit television transmitter which can be plugged into a regular electrical outlet, received through an ordinary television set, and requires no special lighting.

In addition to Dr. Diederich, an instrumental force in the "Rutgers Plan," the workshop's leaders include San Francisco architect Mario J. Ciampi, Henry S. Bissex, Newton High School; Dr. M. Delbert Lobb, Research Director, Fremont Union High School District, Sunnyvale, and other experts.

Enrollment in the workshop is limited to 100. Three semester hours of credit will be granted to those who successfully complete the written final examination. An additional semester hour of credit will be given if a research paper on an assigned topic is submitted.

Further information can be obtained by writing to Sister Mary Alma, P.B.V.M., University of San Francisco, San Francisco 17, California, or by calling SKyline 2-1000.

Local Boys Participate In OSU Institute

Jerry Keefe of 361 Knowles avenue and Frank Lazo Jr. of 51 Vendome avenue are among 154 selected high school boys from throughout the Northwest participating in the sixth annual "Junior Engineers and Scientists Summer Institute" at Oregon State University.

The two-week course, which ended June 24, gave promising high school boys an insight into engineering and science career opportunities and study requirements.

All fields of engineering and science were covered in the intensive two-week program. Oregon State professors were instructors and boys were divided into small groups to permit individual discussion and instruction.

In addition to six hours of classes each day, boys visited campus research laboratories and observed operation of such specialized instruments as the university's nuclear reactor, cyclotron, electronic computers, high voltage laboratory, etc.

To qualify for the program, students must have demonstrated high scholarship in science fields and been recommended by their high school principals and science teachers.

Letters To The Editor

COURT ST. MARY EXTENDS THANKS

Dear Editor:

On behalf of the officers and members of Court St. Mary No. 1155, Catholic Daughters of America, we wish to extend our sincerest "Thank You," and our appreciation, to you and the staff at Marchbanks Publications for the publicity accorded our organization the past term in your various fine newspapers that serve this section of San Mateo county.

We feel that through your co-operation our endeavor to acquaint the general public with the objectives, purposes, and work of the Catholic Daughters of America has truly been attained this past year.

Also, we wish to convey thanks for the aid the coverage gave our fund raising projects which enable us to carry on some of our charitable actions.

Sincerely,
Mrs. Arther Dikas
Grand Regent,
Court St. Mary, C.D.A.
Mrs. Harvey Mumford
Public Relations Chrm.

Judge Blum Is Division Head In Crusade Drive

Judge Frank B. Blum will serve the 1961 campaign of the United Crusade of San Mateo County as chairman of the professional division, according to Dan M. Gailbraith, campaign chairman.

Judge Frank B. Blum

In the drive, which starts in September, the professional division will be responsible for solicitation among the physicians, dentists, attorneys and private and social agencies.

Judge Blum is a member of the Board of Directors of the San Mateo Crusade, and is district chairman for the Boy Scouts Council, San Mateo County, a member Crusade agency. He is also a director of the Community Council, a social welfare planning agency supported jointly by the Crusade and San Mateo County.

Judge Blum and his wife, Lois, are residents at 33 Dorcheter drive, Daly City. They have three children.

Ralph Woodman To Aid United Crusade Drive

Ralph E. Woodman, San Mateo County Assessor, has been appointed chairman of the Public Employees division for the 1961 campaign of the United Crusade of San Mateo County, Don M. Calbraith, campaign chairman, reported today.

During the campaign, scheduled to start in September, the Public Employees division will have two major sections, for City Employees and for County Employees, with each section having its chairman.

Woodman is a native of Sacramento but received his education at San Mateo County Schools. A resident here for 55 years, he was City Clerk in San Bruno for 21 years. Woodman is known throughout the county for his interest and participation in community betterment. He is a member of the Kiwanis Club of Redwood City, San Mateo Elks Club, Optimists of San Bruno, Francis Drake Lodge 376, F.&A.M. Scottish Rite Bodies, Burlingame, and Islam Temple San Francisco.

He and his wife, Minnie, have three children and live at 411 Chapman Avenue, San Bruno.

SKYLINE Assembly No. 208 International Order of the Rainbow for Girls held its seventh installation of officers, recently. The following girls were installed (l. to r.) bottom row: Cynthia Lewin, fidelity; Nicole Heaton, chaplain; Cheryle Nuegebauer, love; Calrice Delke, choir director; Arline Plansky, patriotism; Eugenia Murphy, nature; Janice Washburn, immortality. Midle row: Patricia Chope, recorder; Susan Perluss, treasurer; Cheryle Rafter, religion; Darlia Schenk, service; Carol Kolinos, drill leader; Leslie Baer, confidential observer; Trudy Josselyn, musician. Top row: Sue Duport, faith; Carol Hilton, worthy associate advisor; Phyllis Diltz, worthy advisor; Sharon Ellingson, charity; Pat Woodman, hope. Not pictured is Susan Lectavage, outer observer.

Summer Girl Scout Activities For Area Groups In Full Swing

Summer Girl Scout activities are in full swing for Scouts in the Daly City-Colma area and girls in the Brownie group as well as in the Senior Scouts who are having loads of fun camping, swimming, hiking, and cooking outdoors.

The Brownie and Intermediate day camps are being held at Junipero Serra Park in San Bruno. There are five sessions for Brownie Scouts, the first one was just completed and the last one will end August 4. The Intermediate Scouts also have just completed their first session and will hold their last session July 17-21.

An Adventure Camp at Camp Butano Creek, Pescadero, was just completed by Girl Scouts who were in the 7th, 8th, or 9th grades.

Seventeen Ships consisting of almost 200 Mariner Scouts from all over the Bay Area, held a three-day "Gam" of skills day, at Clear Lake, June 23-25.

Some of the activities that took place were: Canoe, rowing, and El Toro racing; whip lash splice, knots, heaving line, ring buoy toss, life saving, swim form, medley swim and semaphore.

The weather was warm, the water in the lake cold, and the youngsters in a gay mood for fun. And fun they had. After the three day outing, the Senior Mariner Scouts came away with many pleasant memories.

Mrs. Ralph Damon is Skipper for Ship 13 of the Daly City-Colma area. Mrs. Dolly Davison is assistant to Mrs. Damon.

Three mates who attended the Gam were: Drena Guaraldi, Loretta Durham and Rhea Stafford.

Mariner Scouts who attended were: Judy Anderson, Kathy Cubic, Diane deBrune, Diana Davison, Sharon Gonzalez, Linda Howes, Marsha Ojakian, and Joann Spinett.

Girl Scouts who are entering the 7th grade or higher, are attending the permonent camps in the high Sierras; Camp Sonora and Two Sentinels Camp.

Mrs. John M. House and Mrs. Allan F. Mori are on the camping committee from the Daly City-Colma area.

Citywide Movie For Kids Is Saturday

Hey kids! Saturday is citywide movie party time!

This big event is being sponsired by the Department of Recreation.

Boys and girls who wish to attend the movie, and haven't already signed up with their recreation leader, are urged to do so right away. There will be a 25-cent price of admission.

On Saturday morning at 11 a.m., boys and girls who have signed up will leave with a recreation leader for the Serra Theater, where they will see an exciting, adventure film.

Children attending all of the Daly City-Broadmoor playgrounds who have registered will attend the event with supervision to and in the theater.

Red Chimney Contest Nears July 8 End

The Red Chimney restaurant's "Name the Banquet Rooms" contest will end in less than two weeks, July 8, manager Stan Diemoz reminded contestants.

The contest is designed to help the Red Chimney name its three large banquet rooms and anyone may enter by just mailing three names on an entry blank to the Red Chimney, Stonestown, or by picking up a contest form at the restaurant.

According to Diemoz, contestants may send in as many applications as they wish, but each entry must have three names and only three names on it. Winners will be selected on the basis of the three names.

First prize is a weekend for two at the River Pines Resort in the Feather River country. Second prize is two reserved seats at the All Star baseball game July 11. Third prize is a dinner party for two at the Red Chimney.

Hundreds of entries have already been received. The contest ends midnight, Saturday, July 8.

BOY SCOUT TROOP IS BEING FORMED

A new Boy Scout troop, Explorer Post 248, for boys between the ages of 14 and 16, is now being formed.

The post is being sponsored by the Westlake Improvement Assn., with Ray O'Connor as adviser.

Applications for boys as well as adult leaders are being taken at this time. For further information, contact O'Connor at his home, 36 Woodrow street, or phone him at PL 6-1942.

SIXTY-SIX new members were received into Hope Lutheran Church, 55 San Fernando Way, Daly City, recently. In a special service The Rev. Louis Marting, pastor, welcomed 18 youths who were received by the rite of Confirmation. After a two-year period of religious instruction, these youths were received into the adult membership of the church. On the first Sunday of June, 48 adults were welcomed into the congregation. They came to this church either by transfer from other Lutheran Churches, by profession of faith, or through the Sacrament of Holy Baptism.

Hope Lutherans' Bible School Begins July 10

Hope Lutheran Church in Colma will be holding its annual vacation Bible School July 10-July 21, from 9:30 a.m. to 12 noon. Children of the community who are entering kindergarten thru the 6th grade are invited to attend.

There will be handwork, stories, movies, songs, refreshments and games. The $2 registration fee will cover the cost of the material for projects and the work book.

Mrs. Alex Yaroma will be in charge of the kindergarten and first grade, Mrs. Russell Frederico the second grade, Mrs. Nils Young the third grade, Mrs. Warren Hansen the fourth grade and Mrs. Armand Giese will teach the fifth and sixth grade.

For further information and for registration call Mrs. Louie Bizjak at PL 5-0203.

Wilson PTA President Honored At Meeting

The final board meeting of Woodrow Wilson PTA was held recently. It combined last minute business of the school year with a post-meeting party for outgoing president, Mrs. Felix Moss.

Mrs. Moss was commended for the outstanding contributions she has made in the past year, and a special cake and other delicacies were enjoyed by those present. She was presented with a gift from her outgoing board members and from the staff and faculty of Woodrow Wilson School.

Special guests for the gala evening included Mrs. Mendel Plansky, former Woodrow Wilson PTA president and now president of Jefferson High PTA and Mrs. A. Hermosillo, long time supporter of the local unit. Mrs. Ronald Mangean, at whose home the members met, served as hostess assisted by Mrs. C. Tabucchi and Mrs. Wm. McAllister.

President Mrs. Orville Luster announced plans for the fall program, and stated that a welcome tea will be held by the membership committee in September.

The Woodrow Wilson PTA sponsored an end-of-the-term party for each classroom. Ice cream and cupcakes were served by the room mothers under the direction of Mrs. W. Steele.

Help keep California'h highways clean—carry a trash, bag in your car and use it.

Home Mutual Opens New W'lake Office

Home Mutual Savings opens its new, greatly-expanded Westlake office at 5 Southgate avenue this week.

According to Sherman Miller, executive vice president and managing officer of this 76-year-old institution, a 30-day grand opening celebration will feature thousands of gifts for savers and hundreds of major door prizes.

Home Mutual Savings currently operates five insured savings centers throughout the Greater San Francisco area; its home office is located at 120 Kearny street in downtown San Francicso.

B'nai Israel Will Honor Trio At Friday Meet

Congregation B'nai Israel will pay tribute to a group of students, Friday evening, who have excelled in thier Hebrew studies.

Those to be honored include Laura Kimbrell, Gordon Sanoff, and Howard Stein. Each will participate in the service.

Students who were honored during the last few years will be present and will also participate in the service.

Sherman Cohen, president of the Congregation, will award the trio with certificates of honor.

Rabbi Solomon Shore will speak on "A Strange Sect In Israel." The Rabbi will elaborate on the latest information of a Jewish sect which is now numbering 7,000 who are most anxious to make Israel their home.

With this sermon, Rabbi Shore will conclude this season's cycle of lectures on Jewish topics, and will leave for his vacation, to resume his services in August.

During the first week in August, he will perform religious services at Yosemite National Park. He was assigned for that task by the Northern California Board of Rabbis.

Senior Citizens Enjoy "Magnetic City"

The Westlake Community Baptist Church senior citizens group enjoyed a film "The Magnetic City" presented by Phil Kemp of the Saxe Realty Broadmoor office at their regular meeting recently.

About 35 members were present for lunch and to view the sound and color movie picturing the dynamic growth and exciting developments taking place in many cities across the land.

Many members recalled familiar sights in other cities where they have lived or visited. The movie is available to other inteersted groups by calling PL 6-0101.

FOLLOW AT SAFE DISTANCE

Always follow that car ahead at a safe distance, advises the Natfonal Automobile Club.

DARLEEN BARZA of Daly City is a recent graduate of the Dental Nurses' College of California in San Francisco. After a four-month course, she is a qualified assistant. She is a graduate of Westmoor High School.

Bookmobile Stops For Colma Area This Summer

The San Mateo County Free Library announced this week the summer schedule of Bookmobile stops in the Colma area.

Beginning Friday, June 30 and every other Friday thereafter, the County Bookmobile will make stops in Sterling Park at Clark and "C" Streets from 11:15 to 12:15 noon, and at the Colma Safeway Market from 1:00 to 2:00 p.m. For information on scheduled Bookmobile stops, call San Mateo County Library, FI 1-0191.

The Colma branch of the County library will be closed permanently as of July 1. County residents are welcome to use the services of the County Bookmobile, as well as the Daly City libraries.

THESE FRENCH WOMEN!

When some curious pollsters recently polled the drivers of Paris concerning such points as the respective merits of men and women in this matter of driving, 36 per cent were positive that women were excellent drivers.

Thirty-six per cent of the drivers polled, points out the National Automobile Club, were women.

Ah! These French women!

Pineapple Guava Is Good To Eat-- Good To Look At

Pineapple Guava is not only good enough to eat; it's good enough to look at. So whether you acquire a taste for the tangy tropical fruit or not, it comes highly recommended as a garden shrub. The gray-green foliage and waxy white blooms with their prominent red stamens are altogether satisfactory by themselves. Harvesting the fruit is like having your cake and eating it, too.

The California Association of Nurserymen ranks Pineapple Guava right alongside the Pomegranate as a shrub to be grown as much for its ornament as for its edible fruit. Unlike Pomegranate, however, the Pineapple Guava ripens table quality fruit even in the cooler, coastal areas of the north, thus making it the more versatile of the two shrubs. In addition, it is evergreen and one of the hardiest sub-tropicals.

If looks alone were considered, Pineapple Guava would stand up like this: Clean, fresh-looking foliage, green on the topside and silvery underneath. Early summer blooms an inch in diameter with succulent, waxy white petals shaded purple and a cluster of red stamens. Medium height, easily kept to 10 feet or under with a light annual pruning.

For those who appreciate a tropical treat, the fruit may be eaten out of hand or used in preserves.

California Lore Print Exhibit Set

The San Francisco Territorial News' Graphic Arts Museum will hold an exhibition of Early California Lore, graphically represented in the accoutrements of printing and publishing, at 1 p.m. Sunday at Hal Cox KAFE-FM, 3325 Fillmore street.

Refreshments will be served.

VACATION TRIPS

About 85 per cent of all vacation trips in the United States are made by automobile, according to the National Automobile Club.

Local Insurance Man Wins National Award

Benjamin F. Dito, 250 Highgate, Daly City, special representative in the San Francisco Agency of West Coast Life Insurance Company, has been named winner of the insurance industry's coveted National Quality Award for 1961.

Dito, who joined West Coast Life in 1958, is also a member of the company's select Leaders Club.

The National Quality Award is presented annually by the National Association of Life Underwriters and the Life Insurance Agency Management Association only to agents who meet the highest standards of service to policyowners. Altogether, 40 West Coast Life underwriters received National Quality Awards in 1961.

HOLY ANGELS MEN SELLING FIREWORKS

Holy Angels Men's Club is selling fireworks now and up until July 4 in a booth located at Junipero Serra boulevard and "D" streets.

Proceeds will go toward youth welfare service in the area.

The stand is open between 9 a.m. and 11 p.m. daily.

Forest fire days have arrived in California—be careful with fire of any kind, anywhere.

July 4 Is Marred By Fast Drivers, Many Drownings

It wasn't too many years ago when fireworks were a real problem in this country. Kids were losing fingers, hands and eyes during the "happy" days of their summer vacations.

Rallying under the battle cry, "Have a safe and sane Fourth of July," parents, educators, civic leaders and elective officials finally curbed the fireworks problem.

But the need for a safe and sane Fourth has not dimished.

Motorists are literally driving themselves to death over the long Fourth of July weekends, and drownings have surpassed traffic deaths in some states as the leading cause of death over the holiday period, so says the National Safety Council.

The council, pinpointing these two holiday accident problems, makes two suggestions.

One is pretty simple. Learn to swim. That means everybody learn to swim. Can you think of a better way to avoid drowning?

The second suggestion is to install and use seat belts. Seat belts may not prevent an auto accident, but they can be worth your life if you should have a collision.

Seat belts and swimming lessons—two very sane keys to Fourth of July safety.

Howard Pyle, NSC president, says these are ways we can "Free ourselves from the tyranny of accidents. Shouldn't this be a good thought for this Independence Day?"

COLMA MAN GETS CPA CERTIFICATE

Walter Francis Cox, 1034 Gilman drive, Colma, was one of 94 persons in California who recently received a certificate as a certified public accountant.

Candidates qualify for the certificate by successfully passing a two and one-half day examination in theory of accounting, accounting practice, auditing and commercial law as it affects accounting.

DEPOSITING her tickets for the $500 trailer to be given away Friday night at Skyline Plaza is Mrs. Virginia Daly, (second from right), of 800 Higate drive. Others are (l. to r.) Al Fambrini, president of the Skyline Merchants Assn., Beverly Goldman, secretary to the association; Jack Kendree, managing director of Skyline Plaza Shopping Center; Mrs. Daly; and Keith Martin, chairman of the Skyline Plaza advertising committee. Mrs. Daly, the mother of four boys, eagerly hopes to win the trailer, as she and her family are outdoor enthusiasts.

Drawing For Trailer, Awards At Skyline Plaza Friday Eve

Skyline Plaza Shopping Center merchants will conclude their month-long "Get-Aequainted" promotion with a prize drawing this Friday evening, June 30.

The drawing will include a $500 J. C. Higgins Camper trailer, complete with camping tent; a Philco portable TV set and 13 merchandise awards. It will be held at 9 p.m., immediately after the stores close.

A special platform and sound system will be set up in the corner of the Shopping Center near the hardware store and the pharmacy, where the drawing will be held.

On the judges' stand will be Councilmen Micheal DeBernardi and Frank Pacelli, who will draw the winning tickets. As an extra attraction, assisting them will be the lovely Miss Daly City, Lynette Fischel.

Al Fambrini, president of the Skyline Plaza Merchants Association, issued a reminder this week that there is still time for visitors of the new shopping center, located just off Skyline boulevard at Westmoor, to participate in the big drawing. Tickets for all the prizes are available for the asking, at any store in the center. No purchase need be made and the contestants need only be present at the drawing this Friday night in order to be a winner. The contest is open to anyone, 18 years of age or over, with the exception of Skyline Plaza store owners and their employees.

Queen-Maroney Recite Vows In SM Church

Janet Queen of Burlingame became the bride recently of David Paul Maroney of Daly City in the Congregational Church of San Mateo. Rev. Leslie Allen performed the service.

The bride, daughter of Mr. and Mrs. Glenn Queen of Burlingame, wore a gown of taffeta with lace applique around the square neck on the front of the skirt, on the back panel streamers, long sleeves, with a sweeping train and finger-tip veil. She carried a bouquet of baby white roses and stefanotas.

She is a graduate of Burlingame High School and San Jose State College.

The benedict is the son of Mr. and Mrs. Joseph Maroney of Daly City. He attended San Francisco schools, College of San Mateo and graduated from the California Maritime Academy in 1959.

Maids of honor were Miss Lynn Anderson of Burlingame; Nancy Chichijola of Sunnyvale; and Mrs. Florian Kopp of Oakland. Lloyd Malfotti of San Carlos was best man, and ushers were Frank McGouirk, Russell Kemmerrer, both of San Francisco, and Bruce Queen of Burlingame.

Reception was held at the home of the bride following the ceremony. The honeymoon destination was via the west coast up to Canada and back. They plan to live in the Bay Area.

Salinas Rodeo Dates Are Set; July 20 To 23

The California rodeo enters its fifty-first year at Salinas, July 20 through 23, with virtually all of the nation's top cowboys expected to be on hand to compete for national championship points and a share of prize money which will reach a record $75,000.

The cowboys will compete in bareback and saddle bronc riding, bull riding, steer wrestling and calf and team roping.

To usher in the beginning of its second half century, the California Rodeo will bring an entirely new conception of rodeo entertainment to its track presentation.

For the first time in history the rodeo cowboy and the television cowboy will play an active part in the same rodeo, each displaying his skill and courage in his particular field.

The television cowboys, represented by the leading Western stunt men of Hollywood, will participate in a "Pageant of the West" replete with Indian raids on a wagon train and the daring hold-up of a stage coach.

Also participating in the pageant will be seven of the nation's top trick riders, many of whom double for motion picture stars.

Vines For A Summer Show

In the number and beauty of vines to be found in its garden, California has no rival among the other states. Evergreen or deciduous, everblooming or seasonal—you could choose them blindfolded and not go wrong.

Let's concern ourselves right now with those vines that give us a summer show. Among others, the California Association of Nurserymen lists the following.

Most colorful of all just has to be Bougainvillea. A gaudy tradition in California, it has been improved through the years, is now available in shades of pink, copper, red and purple as well as the familiar magenta. Use it at the corner of a wall and watch what you plant beneath it. Such brilliance brooks no competition.

There are several Trumpet Vines to be found in California, and one of the best for summer is the Scarlet Trumpet Vine. Its rich foliage is liberally sprinkled with red tubular flowers that have contrasting yellow centers. This is a tender vine but worth growing even in the frost belt where a bad winter might do it in.

More hardy to cold than the above is the Lavender Trumpet Vine, a vigorous vine with rich green foliage and bell or trumpet-shaped flowers that are not unlike lavender Gloxinias.

In the Honeysuckle family we find the Giant Burmese Honeysuckle the most appealing to our eye, though the more common Hall's Japanese Honeysuckle has much to recommend it as a rambler on fences and posts Giant Burmese Honeysuckle, however, is a striking vine with large, glossy leaves and huge tubular, fragrant blooms up to six and seven inches long. Plant it on a trellis against a sunny wall and let it cover the side of your house.

Lastly, let's mention the Cape Plumbago, which can be trained either as a vine or a shrub. When encouraged to ramble, its mass of light blue flowers is one of summer's more pleasant and persistent shows, not spectacular, but impossible to overlook. It blends with any color, too, and that's an asset in any season, anywhere.

DARLEEN BARZA GRADUATES FROM NURSES' COLLEGE

Darleen Barza of Daly City was graduated Friday from the Dental Nurses' College of California in San Francisco as a qualified assistant, following a four-month course.

Darleen was graduated from Westmoor High School in February of this year. She is the daughter of Mr. and Mrs. Dave D. Barza, of 240 St. Francis boulevard.

BANK EMPLOYEE GETS PROMOTION

Leonard E. Wasserstein, of 1190 Southgate, Westlake, has been promoted to assistant cashier by Wells Fargo Bank American Trust Company.

Associated with the bank since 1940, he is in the personal loan and new account departments at the bank's Union Trust office in San Francisco.

PUBLIC SCHOOLS IN NEW MEXICO

Public schools were first established in New Mexico in 1721, according to the National Automobile Club.

CRATER LAKE

Crater Lake, located in Southern Oregon, is reported by the National Automobile Club to have been discovered in 1853.

San Francisco's unique "Jackson Square" is a one-stop wholesale decorative home furnishing center, established in a number of renovated early-day buildings which survived the earthquake and fire of 1906

New Orleans was founded in 1721 by Sieur de Bienville.

BUSY BEE ONLY CASUALTY IN ACCIDENT

Back New Jersey way a motorist was recently rolling down the road when a busy bee flew in his window and right into his mouth.

Somewhat disconcerted by all this, the motorist lost control of the situation and piled his car into another car that was parked at the side of the road. Much to his amazement he found that he wasn't scratched, he wasn't stung.

The only casualty in the whole affair, reports the National Automobile Club, was the bee. It was swallowed.

Holy Angels Guild Holds Installation

Installation of new officers of the Holy Angels Women's Guild was held in the Church preceding the final meeting of the Guild recently. The out-going officers transferred their symbols of office to the new officers who dedicated the execution of their duties of office to the Blessed Mother.

The social meeting which followed was held in the parish hall. The outgoing officers and the various committee chairmen thanked the members of the Guild for the generous donation of their time, energy, and support during the past year; making every project of the Guild an over-whelming success.

The gavel was then transferred to the new president, Mrs. Eugene Camous who presented the new committee chairmen for the 1961-1962 school year. Rev. Thomas J. Farrell thanked the out-going officers for their tireless efforts in the pursuit of the duties of their respective offices and gave his hearty congratulations and best wishes to the new officers.

Following the adjournment of the meeting an enticing buffet was served, which had been elaborately planned by the out-going officers who were assisted by Mrs. Robert Wiley, refreshment committee; Mrs. Stanley Kettell and Mrs. George Riccomi, hospitality committee; and the nominating committee, headed by Mrs. E. A. Bobbitt.

ATTEND SERVICES

More than 100 million people in the United States attend religious services regularly, reports the National Automobile Club.

Rainbow Girls, Dads Enjoy Joint Breakfast

On Sunday, June 18, which was Father's Day, many of the girls from Skyline Assembly 208, International Order of the Rainbow for Girls, along with their fathers, enjoyed a father-daughter breakfast at Westlake Bowl.

Last Sunday, the girls and their families enjoyed a picnic in Redwood City with games and a barbecue supper.

Navy Ships On View This Weekend In RC

Two Navy ships, a submarine and a minesweeper, will be open for public inspection at the Port of Redwood City during the Fourth of July weekend as part of the 22nd Annual Redwood City Rodeo and Independence Day celebration, Merritt D. McCarl, port manager, announced this week.

A public reception to welcome the ships, their officers and crews will be held at the Port at 12 noon Saturday, July 1.

NOTICE INVITING SEALED BIDS

NOTICE IS HEREBY GIVEN that the Board of Trustees of the Jefferson Union High School District of the County of San Mateo, California, will receive sealed bids up to and including 10:00 A.M., on the 7th day of July, 1961, at the office of the Superintendent, 375 South Mayfair Avenue, Room 214, Daly City, California, at which time said bids will be opened and read for the supplying of:

Bid No. 101
ATHLETIC EQUIPMENT
Bid No. 102
TYPEWRITERS

in accordance with instructions, conditions and specifications and form of Agreement now on file in the office of the said Superintendent of said district.

Each bid must be accompanied by a certified check or bond equal to 10% of the bid. Said check is to be made payable to the Jefferson Union High School Distirct and shall guarantee that should his bid be accepted the bidder will enter into a contract within 10 days from the date of mailing of notification that the contract is ready for execution. Said check or bond shall be deemed liquidated damages and surrendered to said Board if the successful bidder fails or refuses to enter into a contract within said period.

The Board of Trustees of the Jefferson Union High School District reserves the right to reject any and all bids and waive any irregularity therein, and reserves the right to award the said contract or reject all bids at any time within 30 days after the opening of bids.

No bidder may withdraw any bid submitted by him for the said period of 30 days after the said date of opening of bids.

NOTICE TO CONTRACTORS

(Advertisement)

1. NOTICE IS HEREBY GIVEN that the Board of Trustees of the Jefferson Union High School District will receive bids for the furnishing of all labor, materials, transportation and services for grading and drainage work, relocation of utility lines, and installation of sprinklers and turf, and the necessary appurtenant work on the site of the Jefferson High School, located at 6996 Mission Street, Daly City, California, all in strict conformity with the plans and specifications and other contract documents on file at the office of FALK & BOOTH, 16 Beale Street, San Francisco, California.

2. Each bid to be in accordance with the plans and specifications now on file with Falk & Booth, 16 Beale Street, San Francisco 5, California.

3. Each bid shall be made on a form to be obtained at the office of FALK & BOOTH, 16 Beale Street, San Francisco 5, California, and must be accompanied by a certified or cashier's check or a bid bond for ten per cent of the amount bid, made payable to the order of the Board of Trustees of the Jefferson Union High School District, and shall be sealed and filed with the Clerk of the Board on or before the 7th day of July, 1961, at 2:00 P.M. and will be opened in public at or about 2:00 P.M. of that day **in the Office of the Superintendent of Schools, 375 So. Mayfair Avenue, Room 214, Daly City, California.**

4. The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract within 30 days after being requested to do so by the Board of Trustees of the Jefferson Union High School District.

5. The successful bidder will be required to furnish a labor and material bond in an amount equal to 50% of the contract price and a faithful performance bond in an amount equal to 100% of the contract price, said bonds to be secured from a surety company satisfactory to the Board of Trustees of the Jefferson Union High School District.

6. The general prevailing rate of per diem wages and rates for legal holidays and overtime work in the locality in which this work is to be performed for each craft or type of workman or mechanic needed to execute the contract, has been ascertained by the Board of Trustees of the Jefferson Union High School District to be as follows:

CLASS OF WORK	WAGE PER HOUR
Building Laborers	$3.225
Multiple Engine Earth-moving Machine	4.21
Tractor Drivers	4.23
Tractor Loaders	4.54
Trenching Machine Operators	4.18
Power Shovel Operators	4.44
Power Blade Operators	4.44
Compressor Operators	3.67

7. All labor to receive time and one-half for overtime, double time on holidays, unless otherwise specified.

8. All other trades not hereinabove mentioned to receive wage prescribed for that particular craft or type of workman.

9. In addition to the hourly and/or per diem wages for the crafts, classifications or types of workmen listed above, contractors may be required to make employer payments for health and welfare, pension, vacation and similar purposes as required by the executed collective bargaining agreements for the particular craft, classification or type of work involved.

10. The working days shall be eight (8) hours unless otherwise specified above. The per diem rate shall be the hourly rate multiplied by the number of hours in the working day.

11. The general contractor and his subcontractors shall favor the employment of local labor when available.

12. The Board of Trustees of the Jefferson Union High School District reserves the right to reject any and all bids and/or waive any irregularity in any bid received and to accept the bid which in the opinion of the school board is most advantageous to the District. Unless otherwise required by law, no bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Teenagers Attend Leadership School

John Laursen and Susan McCoutie, both teenagers, and members of Our Redeemer's Hi League, are winners of leadership training awards presented by the Men's Brotherhood of the church.

Located at the Mission Springs Conference grounds, Santa Cruz, the two teenagers from Our Redeemer's have joined with other chosen youth of the Peninsula Lutheran churches, for a full week, June 19 to 24, for leadership training. The training includes Bible instruction, leadership dynamics, and world mission information to carry out a fuller program in the local Hi League.

The scholarship covering the cost for the week is a grant from the Brotherhood of Our Redeemer's. Each year the Brotherhood has sponsored two youth to attend leadership training school.

Sunday, July 2—8:30 and 11 a.m. — worship services.

Sermon — "Freedom Riders of The Church."

Holy Communion celebrated at both services.

Nursery care for children under 5 years of age during the 11 a.m. worship.

9:30 a.m. Sunday School—3 years through Adult Bible Class.

NOTICE TO BIDDERS

The CALLAN PARK COUNTY WATER DISTRICT, Route 1, Box 346, Daly City, California, invites Sealed Bids or Proposals for furnishing and delivering, f.o.b. Colma, California, two prefabricated Sewage Pumping Stations, each Station containing four vertical, close-coupled "Non-Clog" Sewage Pumps mounted in "pairs," with each pair operating in series, together with necessary motors, valves, piping, control panels, motor starters, and other appurtenant features.

Plans and Specifications for this Equipment may be obtained from the Office of the District Engineer, Theodore V. Tronoff, Civil Engineer and Surveyor, Inc., 345 Park Plaza Drive, Daly City, California. No deposit is required.

Bidders shall deposit with their Bid, cash, certified check, cashier's check, or bid bond with a surety acceptable to the Callan Park County Water District in an amount equal to at least ten percent (10%) of their Bid as guarantee that the Bidder will enter into the Contract, if awarded.

Should the successful Bidder fail to enter into the Contract with the District within ten (10) days after Notice of Award, the guarantee deposit shall be forfeited to the Callan Park County Water District.

Bids for the above work will be received in the Office of the District Engineer, Theodore V. Tronoff, Civil Engineer and Surveyor, Inc., 345 Park Plaza Drive, Daly City, California until 4 P.M. on Monday, July 3, 1961 at which time the bids will be publicly opened, examined and declared. The Contract for the work, if awarded, will be awarded within thirty (30) days from the date of such bid opening.

The District Board of the Callan Park County Water District reserves the right to reject all bids or to waive any informalities or irregularities in any bid received.

Down By The Seashore

If you have the problem of a seashore garden, we can't feel too darn sorry for you. For to have the problem, you first must have the garden. And that in itself makes you lucky.

Our envy is no reason to withhold the following few notes from the California Association of Nurserymen, however. They concern gardening by the sea and should be of interest to all who have such a "problem."

Primary concern here is for the gardener who fronts right on a beach, where soil is seldom rich and wind can be a persistent bother. Plantings suggested require minimum maintenance, however, and are also well adapted to gardens back from the shore which suffer not from unfriendly conditions but from absentee gardeners.

One of the best—and at the same time most attractive—barriers between you and the sea is the Australian Tea Tree. In maturity, these are distinctive shrubs with small, box-like gray green leaves and torturous trunks that twist themselves into fantastic patterns of growth. In spring its small white blooms are profuse.

Another for medium to tall screens or barriers is the Natal Plum. Always glossy and fresh even under conditions of neglect, the Natal Plums produce edible fruits that are used in sauces and preserves. The waxy, star-shaped blooms are scattered throughout the year in sunny coastal gardens.

The Karo Pittosporum, a rugged and attractive shrub, as are all Pittosporums, is ideally suited to seaside gardens. The reddish flowers are insignificant, but the gray foliage is always pleasant and occasional pruning to keep it dense is the only cultural requirement.

Hottest Stars Measured By UCLA Astronomer

Surface temperatures over 50 times higher than that of the sun exist on some stars, making them among the hottest known in the universe.

These hot stars, the centers of planetary nebulae, are extremely dense, and some have temperatures above 500,000 degrees Fahrenheit, according to telescopic observations and measurements by Dr. George O. Abell of the UCLA astronomy department.

A planetary nebula, up to tens of thousands of light years distant from earth, is a shell of gas that has been ejected from a hot, or "feverish," central star. The gas shell gradually expands until it reaches a size thousands of times that of our entire solar system.

Compared to our 20 billion year-old Milky Way Galaxy, planetary nebulae are young and short-lived. A typical one was ejected from its parent star some 10,000 to 20,000 years ago, but after about 100,000 years the shell of gas becomes so distended that it is too thin and faint to be seen from the earth. Dr. Abell said that the planetary nebulae he measured are among the oldest that can be observed.

The UCLA professor, who helped in the discovery of 85 planetary nebulae during the 1949-1956 Palomar Observatory Sky Survey, cited some of their impressive characteristics.

The hotter the surface of a star is, Dr. Abell explained, the more light each part of it emits. He found that stars as hot as some of those at the centers of the planetary nebulae would emit 5,000,000 times as much light as our own sun if they were as large as the Sun.

Observations, however, show that the hot stars are only about a hundred times as luminous as the sun. They must, therefore, be very much smaller than our sun—and some of them are no bigger than the planets, Dr. Abell said.

Craner-Ritter Wed In St. Martin's In Sacred Rites

St. Martin's Episcopal Church was the scene of the recent wedding of Carole Craner of Westlake to George A. Ritter of Westlake in a double ring ceremony performed by the Rev. Alan Downey.

She is the daughter of Mr. and Mrs. Arthur Craner of 95 Clifton drive. He is the son of Mr. and Mrs. Gerald Ritter of 115 Crestwood drive.

The bride wore a gown of white organza over taffeta, full length, with chapel train, scoop neck, short sleeves, bodice lace, trimmed with seed pearls and sequins, lace applique scattered on the skirt, and she carried a bouquet of white roses, lily of the valley and small white orchids, forming a spray. The veil was finger-tip length.

The bride is a graduate of Westmoor High School and is employed at the Robert Dollar Company. The groom is a graduate of Lowell High School and San Francisco State College and is a business teacher at Balboa High School.

The couple spent their honeymoon in Carmel, and will make their home at 1801 - 23rd avenue.

Matron of honor was Mrs. Betty Nagy of Westlake. Bridesmaids were Janet Witcosky of San Francisco, Marilynn Hunt of Westlake, and Linda Nagy of Westlake.

Best man was Robert Mugg of San Francisco. Ushers were Charles Craner of Westlake, Tom Disher of San Francisco, and George McKay of Boonville.

Approximately 100 persons attended the reception at the House of Lawton following the wedding.

GARDENER'S CHECKLIST

1.—Feed Roses and other garden shrubs when you return from vacation, and then give everything a good watering.

2.—Select new bearded Iris and divide the old when clumps are crowded.

3.—Feed Dahlias an all purpose plant food as you do Chrysanthemums—frequently.

4.—When watering pot plants, be sure the soil is soaked through. Plunging them in a tub of water on occasion is a good practice.

5.—Lacklustre Begonia leaves usually mean the plants are getting too much shade. A little sun will remedy this.

S.F. AQUARIUM TO BE CLOSED

For the first time since it was opened to the public in 1923, Steinhart Aquarium in San Francisco's Golden Gate Park, will be closed for about a year, commencing in October.

The closing, scheduled after the summer peak attendance, will allow workmen to complete a $1,575,000 rehabilitation program, already under way, according to Dr. Robert C. Miller, director of the California Academy of Sciences, of which the aquarium is an important segment.

Storage tanks are now under construction for the $1 million worth of fishes now on exhibit at the aquarium. Included in rehabilitation plans is a giant porpoise tank and completely new tanks throughout the structure.

VFW Ladies' Lunch Attended By 100

More than 100 persons turned out for "Luncheon Is Served," which was sponsored by the Ladies Auxiliary to the Veterans of Foreign Wars, Post 2044, of Daly City.

The auxiliary wishes to thank members and friends who made it such a success.

David Dallmann (she's the former Patricia Ann Silver of South San Francisco) take time from their recent wedding reception for this picture. Couple flew to Las Vegas for their honeymoon after nuptials in Christ Church, Lutheran. They will make their home at 222 San Felipe avenue.

—Photo by Mann

Silver-Dallman Nuptials Held At Christ Church

Patricia Ann Silver of South San Francisco and David Bertram Dallmann of San Francisco were married recently in Christ Church, Lutheran, in a double ring ceremony.

A one-week honeymoon in Las Vegas followed for the couple. The bride is a graduate of Marysville High School, Yuba College, and San Francisco State College, and was working for the Jefferson Elementary School District at the time of her marriage.

The groom is a graduate of Lincoln High in San Francisco and Heald's Business College, and is presently studying for a degree in mechanical engineering. He is employed at United Air Lines.

The church was decorated with two altar vases with white stock and gladiolas, with every other pew marked with white ribbon and a white candle.

The bride, who was given in marriage by her father, wore a full length white silk organza with tucked short sleeves and tucked front of skirt, seed pearl trim on trapunta applique, a scoop neckline, bouffant silk illusion veil with seed pearl trim on a petal cap of white silk organza.

Maid of honor was Kathleen Diane Silver, sister of the bride. Bridesmaids were Mrs. Daphne Beldon and Mrs. Joanne McRae. Flower girls were Bonnie, Sandi, and Laurie McRae.

Best man was William Dallman, the groom's brother. Ushers were Walter McRae and Edward Johnson III.

Following the nuptials, 175 guests attended a reception in the parish hall.

The bride is the daughter of Mr. and Mrs. Harry Silver of Marysville. The groom is the son of Rev. and Mrs. Bertram Dallmann of San Francisco.

The couple are home to friends at 222 San Felipe avenue.

SSF MAN NOW VICE-CHAIRMAN OF DEMO GROUP

Adolph C. (Bud) Harrison of South San Francisco has been named vice-chairman of the San Mateo County Democratic Central Committee, it was announced recently by Chairman Daniel J. Monaco.

Harrison is vice-chairman for the North County, the current 25th Assembly District.

A new member was welcomed to the Central Committee this month also, Monaco said. He is Joseph Verducci, widely-known Democrat and civic leader of Daly City.

Folk Dancing Ciass Open Until July 6

Because of delay in announcing the Folk Dance classes for beginners, the first class has been postponed to June 29 and will remain open for registrations by calling PLaza 5-0065 until July 6.

There will not be another beginning folk dance class until January because of preparations for the Folk Dance Festival to be held in Daly City as part of the 50th Birthday celebration.

Miss Deborah Skootsky Will Visit Israel

Deborah Skootsky, 12-year-old daughter of Mr. and Mrs. Harold Skootsky of Daly City, will experience the thrill of a lifetime this summer when she makes a 6-week trip to Israel.

Seventy-five 13-year-old Jewish youngsters from the United states and Canada will fly from New York on July 8 and return on August 29. Two couples plus several sets of parents, will accompany the children on their Bar Mitzvah Pilgrimage, in this, the 13th year of Israel's independence.

The Bar Mitzvah or confirmation, is an important event in the lives of Jewish children. It is considered a coming of age as youngsters who reach the age of 13 are considered old enough to take on responsibilities of different kinds.

The group will spend three days in Amsterdam before going on a tour of the various cities in Israel. The trip will be a combination of camping and touring.

Deborah, who has been a Girl Scout for 6 years, and is a First Class Scout, is in Troop 567 under the leadership of Mrs. John M. House. Her mother was a Girl Scout leader for five years.

While in Israel, Deborah plans to visit the Israeli Girl Scout office. She has a letter of introduction from the Girl Scouts of America which she will present to the Israeli Girl Scout organization.

There are six different Girl Scout organizations in Israel and some are very old. There will be an exchange of ideas and Deborah will report her findings to the Girl Scouts of the Daly City-Colma area.

MISS DEBORAH SKOOTSKY

Keep your head up when crossing streets and you won't be struck down, points out National Automobile Club.

"Man Into Space!" Planetarium Show

A dramatic spectacle right out of today's headlines will be the subject of Morrison Planetarium's summer special for the next two months.

Titled "Man into Space!", the show will be highlighted with many unusual special effects. It surveys the current missile programs of both the United States and Russia, and takes the viewer into the heavens where he looks back and sees the earth's atmosphere as from a satellite, then lands him on the moon.

The unique show will be presented during July and August and through Labor Day, September 4. Performances in the sky theatre are scheduled daily at 2:15, 3:30 and 8:30 p.m. with extra performance at 1 p.m. on Saturdays and Sundays, and on July 4 and September 4.

'Aerated' Faucets May Harbor Dangerous Germs

Aerators, the small devices that fit into a faucet to keep the water from splashing in the sink, may harbor dangerous germs, according to a study at the UCLA Medical Center.

Drs. Miriam G. Wilson, Roger C. Nelson, and Ruth Boak and Laura H. Phillips carried out the study.

They found that aerators in faucets of hand wash and utility sinks of a hospital nursery were heavily contaminated with a drug-resistant germ known as Pseudomonas Aeruginosa. Very young infants, debilitated or aged patients, and those with surgical wounds are especially susceptible to these bacteria which do not respond well to most antibiotics.

The infectious agent has particularly presented a problem in hospital nurseries in recent years. Pseudomonas infections, including "blood poisoning" by this organism, have shown significant increase in number and severity in hospitals in recent years. The source of infection is often difficult to find.

During a routine inspection of a hospital by the group, aerators were removed and bacterial cultures made from the screens of the aerators and sediment trapped in the devices. The screens were found to be contaminated, and hot and cold water drawn through the aerators was found to contain the organism.

Apparently aerators result in accumulation of organic material and some water stagnation at the faucet outlets, thus providing an environment conducive to the growth of the organism. Hands or equipment washed in the sink then would serve to spread the germs.

Frequent removal and cleaning of the aerators might be one solution to the problem if the safe interval between cleaning periods can be determined, the investigators said. Removal of the devices from hospital sinks altogether might be the safest course.

CONTACT! — Five-year-old Jeffrey Freedman, a pupil in Miss Sally Simon's kindergarten class at Olympia School, looks like he's ready to pilot this two-seater airplane up into the skies. But not so; about all the youngsters could do is push and pull it around the room or school yard. The "pilot," by turning the driving wheel can turn the propeller into motion, also. The airplane is made of wood, with the wings covered with papier mache. It was a recent project of Miss Simon's kindergarten classes which was completed before school's end. Shown above are (l. to r.) Mrs. Murray Freedman, Jeffrey's mother; Jeffrey, and Miss Simon.

Floribunda Roses Are Fine For A Flowering Hedge

Floribunda Roses, as a flowering hedge plant, are the greatest. From May to December, they are always in bloom—and what bloom it is.

When you plant a Rose hedge, however, you should be on good terms with your neighbor. For the Rose is not a shrub to shut out unfriendly faces. If such is your desire, plant Privet, Eugenia or the like. Your row of Floribundas should be a shared pleasure with the gardener next door.

There is great advantage in being able to choose your flowering hedge when it is actually in flower. And that is exactly what you can do by shopping for container-grown Roses in nurseries this month. The California Association of Nurserymen reports that an especially good selection is to be found in nurseries this year.

When picking and choosing, you would do well to keep the growth habits in mind. Some floribundas such as Heat Wave and Texan are on the tall side. Others—Circus, Tom Tom, Ivory Fashion, to name but three—are of medium height. And a few—notably Sarabande among the more recent introductions—are quite compact. Don't overlook the grandifloras, such as Queen Elizabeth and Pink Parfait, either. They are larger in bloom and bush than the floribundas and also showy in hedges.

When planting a Rose hedge, stick with shrubs of one variety rather than mixing your colors. The charm that variety brings to the regular Rose garden is lost in a hedge where the main purpose is to create uniformity. For the same reason, shrubs should be planted closer together than normally they would be.

If the idea of a Rose hedge appeals to you but you can't convince your neighbor, try planting floribundas of a single variety along the sunny foundation wall of your house.

Highway Patrol Ready To Help In Emergencies

Capt. John W. Kennedy, local commander of the California Highway Patrol, today expressed the hope that vacationers from San Mateo County "will have a carefree journey, unmarred by accident or other delay.

"Of course, the Patrol stands ready to help in any highway emergency which may arise. In the event of an emergency, including an accident, dial the operator and ask for ZEnith 1-2000, the Patrol's statewide emgency number," he said.

"If you desire information, any Patrolman will be glad to assist you, or you may call the Patrol's business number listed in the telephone book.

"Persons driving near any CHP office during business hours are welcome to stop if they need information or assistance," the captain said.

Teacher Will Speak To Christian Ladies

Eleanor van Leeuwen, parent education teacher with the San Francisco Schools will speak at a special meeting of the Woman's Society Christian Service of the Wesley Methodist Church in Daly City, Wednesday, July 5 at 8 p.m.

Covering the subject of "Raising Children Able to Meet the Demands of Tomorrow's World," Mrs. van Leeuwen will stress the duty and privilege of the parent in raising the child to accept the responsibilities of the adult world.

Mothers interested in this vital subject are cordially invited to attend the meeting at the home of Mrs. John Morton, 811 Maddux drive, Colma.

Announce Engagement

Granger-Davidson AnnounceWedding To Be Held July 8

Mr. and Mrs. Robert L. Granger of 57 Longview drive, Daly City, announce the engagement of their daughter, Sharon Luella, to Robert Clarke Davidson II, son of Mr. and Mrs. Robert C. Davidson Sr., of Albuquerque, New Mexico. The wedding will be held at the Church of the Good Shepherd in Pacifica at 10:30 a.m. July 8.

The bride, a graduate of Roosevelt High School in Honolulu, Hawaii, and the automation institute of San Francisco, is a key punch operator for American Fore Insurance Company of San Francisco.

The groom, a graduate of Holy Cross Abbey in Canon City, Colorado, is presently serving in the U. S. Marine Corps aboard the U.S.S. Oriskany, a Navy aircraft carrier, and holds the grade of lance corporal.

The couple will spend their honeymoon in Santa Cruz.

Luther Leaguers Entertain Ladies

The Luther Leaguers of Westlake Lutheran Church provided the program for the Women's Auxiliary on Tuesday evening, June 27. Throughout the American Lutheran Church, June is youth activities month so the local program was coordinated with the national program.

With the assistance of Herb Kraling, group sponsor, Kathy Doerr directed the young people for the evenings entertainment.

Bible study was led by Mrs. Mildred Ross and hostesses for the evening were Mrs. Harvor Vinson and Mrs. Marian Phelps.

BARNEY OLDFIELD DRIVES FOR HENRY FORD

Few scenes in the history of the American motor car are quite so memorable as the one that took place near Salt Lake City around the beginning of this century, points out the National Automobile Club.

Mechanics and helpers rolled out on the sands the giant "999," a racing car that Henry Ford and his friends had built to beat all comers, Barney Oldfield took his place behind the wheel, Henry stepped to the front of the car and cranked it while Barney waggled the choke, the car started with a roar, the earth shook, and the race was about to get under way.

"This chariot may kill me," the one-time champion bicycle racer was reported to have said as he chewed on his dead cigar, "but they will say afterward that I was going like Hell when it took me over the bank!"

The old "999" never took Barney over the bank. He won by half a mile.

STOP SIGNS

Come to a full stop at all stop signs, advises the National Automobile Club.

Large groups planning outings in San Francisco's Golden Gate Park are urged to get in touch with the park office at McLaren Lodge, Stanyan and Fell Streets, telephone SKyline 1-4866.

GETTING his copy of the Junior Blue Book on bowling information is Bob Sexton (left), junior program director at Westlake Bowl, who also stops to congratulate its creators. He is shown congratulating Steve Hargrove, while Steve's brother, Phil, and Glen Hilton, hold their copies. All three boys are students at Westmoor High School.

SPORTS

PAL Bowling Tourney On; Petrocchi High

The opening squad in the Third Annual Daly City Police Athletic League Benefit Bowling Tournament which opened Saturday will probably be subject to investigation when the word is received that Chief Roland Petrocchi and his secretary Josephine Runne are leading in the two divisions.

With Superior Judge Frank Blum, Municipal Judge Charles Becker, Lloyd Brown of Brunswick, Director of Finance Joseph Arch, B. Poncetta of the Doelger Corp, and many other celebrities on hand, the first squad sent the tournament off to a rolling start. The opening squad was followed by a large squad with most of the bowlers taking off afterwards to shoot in the Jerry Warden Memorial Singles at Redwood Bowl.

Chief Petrocchi led the opening squad with a 638 scratch series, which with a 58 pin handicap, placed him in undisputed possession of first place with a 696 total. Police Secretary Josephine Runne started out with a 198 game, her all time high, and finished with a 468 scratch plus 120 handicap for a 588 total to lead in the ladies' division. In shooting his high series, the Chief had a 247 third game with strikes in the first six frames. Director of Finance Joe Arch shot the high game of the opening squad with seven strikes in a row for a 257 total.

A goal of $10,000 for the Police Athletic League has been set for the tournament.

PAL Yankees Smash Toto's; Lions Take Second Place

This week Toto's Midgets made their bid against the PAL Yankees for supremacy in the Westmoor Division. The Yanks were ready, with T. Bechol allowing only three hits and the Yankee batters collected eight hits for six runs. A. Stanley led the Yankee batters with two for three. PAL Yankees 6, Toto's 3.

The Holy Angel Lions moved into second place this week by virtue of Toto's defeat and a win over the OLM Cubs. With the Lions down 6-0 in the third, Bobby Collins doubled with the bases loaded. He singled in the fifth with another full house to drive in five RBI's. Lion batters drove in four other runs to edge out the OLM Cubs, 9-8.

Art Colvin BYA caught the PAL Giants napping as they romped over them, 21-1. The Art Colvin infield allowed only ball to reach the outfield.

In the Jefferson Division, Hughes Texaco kept the top spot by trouncing the Holy Angels Colts, 21-0. R. Beaudoin allowed only one Colt hit.

The Misracks Cardinals took the OLM Cardinals, 8-3. Agar, Weinberg and Patterson gave the bats a real workout, gathering three hits apiece.

In another close one, the BYA Bullets squeezed by the Parkmerced team. Both teams had four hits apiece. The difference was Parkmerced hit singles and Jeff Benard of the Bullets rapped out a double and a triple. Taylor of the Bullets and Grosee of Parkmerced both pitched a good game.

OLPH dumped the BYA Blazers, 9-3, on June 22. Steve Gudelj started OLPH's rally by hitting his second home run of the season, which enabled Mike Chelone, who pitched a no-hitter, to gain a well-earned victory.

In the Junior Division, "hero of the week" goes to Eddie Roseborough of Parkmerced. Big Eddie threw a two-hitter against the tough South Sunset team. He struck out 11 batters and did not allow a baserunner until the fifth inning. Ken Pike of PM rapped out three for four as his team downed South Sunset, 2-1, in a real toughie.

PM also defeated the BYA Falcons, 6-2. Richie Heintz allowed the Falcons only two hits as Bob Verbary doubled in two runs. The Falcons dropped another one to the OLM Gaels, 16-3. Pigot Williams and Mahoney fattened up their batting averages in this game.

Daly City Drugs had a close call as Misracks came within one run of knocking them out of first place. Howe of the Drugs allowed fewer hits than Owens of Misracks. Drugs 4, Misracks 3.

Joe Richmond of New Pisa came up with a one-hitter against Lagomarsino. Frank Kitchiner of New Pisa collected four for four at the plate as Lagomarsino continues to have mound trouble.

South Sunset made up for their loss to PM by clubbing Tower Market, 10-3. Volis allowed only two Tower hits. Hanno of Tower Market collected both of these. Tower Market also fell victim to OLPH this week. Homberg received good plate support from his OLPH teammates to win, 6-1.

SPORTS REVIEW

Terra Nova Varsities Face PAL Fall Slate

By LARRY RUIZ

Terra Nova High comes of age this fall when the Tigers open a full Peninsula Athletic League varsity program.

Athletic Director Floyd Ganella personally will pilot initial varsity competition against PAL football opponents and promises:

"We won't burn up the league, but we'll surprise a few people."

Directing a club which has played together for two campaigns and posted a 5-3 record against junior varsity competition (no seniors), Coach Ganella has a few veterans from which to draw.

At quarterback will be Don Katona, fine passer and field general, and a past All-Peninsula Athletic League second-string pitcher in baseball. He gained the honor a year ago as a sophomore on the Westmoor Ram nine. This spring his Tiger mates voted him Most Valuable Player, leading the team in percentage (.484) and pitching (4-1).

At fullback will be Fred Mason, and he will be flanked by a pair of fine halfbacks—Dennis Caruthers and Jim Boyette. Reserve quarterback is John Cook.

TN's line will have Manuel Pick (he's also MVP in basketball last season) and Don Gentry at guards, Bob Simmons at center, and ends Tom Swinger and Bob Pettit. Terra Nova has lost last year's MVP in football, tackle Bob Evans, who has moved out of the district.

These boys have played together two years, and may jell into a hard-nosed, well-coordinated unit during their first PAL campaign.

"It's a big jump, from junior varsity to varsity competition, but the boys are getting bigger," Coach Ganella continued. "Besides, they played against some varsity, non-seniors, last year and did real well."

Asked about the importance of having Terra Nova's own school facilities—rather than sharing Westmoor's—Coach Ganella replied:

"Certainly it's important. First, the esprit de corps of the school is much higher. The kids feel it's their own school, and there is a greater desire in all phases of athletics.

"Secondly," he affirmed, "there is no trouble with dual sessions. Having the boys leave the classrooms for games during dual sessions causes them to miss academic classwork. Also there won't be that jam of boys coming and going to the fields for practice.

"And finally, when things go wrong you know who's at fault.

"If the school doesn't open in time, we'll practice somewhere, probably Westmoor field, and we won't conflict with Westmoor at all.

"But I would now like to say publicly that, in general, things here during the double session with Westmoor High went exceptionally well. We never had any friction whatsoever.

"I think the social relations among the coaches and also among the athletes was outstanding. And I would like to thank the Westmoor coaching staff for the great assistance they gave us. We went out of our way to help each other," Ganella concluded.

Next fall, while the varsity commences its first-ever PAL campaign, the Frosh-Soph gridders will enter into a limited "North County League" of five schools—Westmoor, Terra Nova, Jefferson, South San Francisco and El Camino.

The all-star lineup of coaches in the Boys' Physical Education Department:

Coach Ganella—Department head and Athletic Director, and head coach of varsity football and golf.

Roger Miller—Varsity baseball and wrestling.

Rich Burt—120's and varsity basketball.

Farnk Lallar—110's and 130's, basketball.

Jeff Jones—Assistant varsity football, and head swimming coach.

Dennis Lenterman—Track and cross-country.

Al Figone—Frosh-Soph football head, and assistant track coach.

Don Delbon—Head coach Frosh-Soph baseball, and assistant Frosh-Soph football mentor.

And it appears three of the Terra Nova coaches share a common heritage: both Ganella, Delbon and Figone all went to Jefferson High (not too many years ago).

Cross-country head coach Lenterman begins varsity PAL competition along with Coach Ganella in the fall, and to help cheer this prospect is the return of Jim Beeler, who broke enough tape to gain the Most Valuable Player award in both cross-country and track this last year.

This fall shapes up to be a most interesting sports period for Daly City, what with three teams competing for local and PAL-wide applause.

We are fortunate to have an expanding and improving city in which to live, and as we look about—sometimes with a start—there is history being written and a promising new future ahead.

Jim Beeler
Cross Country and Track

Don Katona
Baseball and Football

Terry Christman On West Bay Nine At Benefit Game

Terry Christman, Westmoor High's ace pitcher this past ball season, will participate on the West Bay team this Saturday in the East Bay-West Bay Benefit All-Star Baseball Game at Candlestick Park, beginning at 1 p.m.

Christman will play first base, and will be a member of a team which will claim top baseball players from various schools on this side of the bay.

The game is being sponsored by the United Order of True Sisters, Inc., San Francisco, No. 44, with proceeds to be used to find a cure for a disease of the larynx called pipillomas. Theme of thee vent is "Pennies For Polyps." The money from this event will be donated to the University of California hospital.

Dick Murray, retiring Sacred Heart coach, will guide the West Bay team, assisted by Ed Kenna of Balboa High School. Directing the East Bay team will be Jim Johnston, coach at San Lorenzo's Pacifica High, who will be assisted by McClymond's coach, George Powles.

There will be 16 players on each club, all of whom will receive individual trophies for their performance. A larger trophy will be awarded to the game's outstanding player.

Tickets are $1.25, or 50 cents with student body card.

Ticket Agencies: In San Francisco, Ayoob's Sport Shop, 2598 San Bruno avenue; Roos-Atkins, Market and Stockton; Hirsch and Price, 138 Kearny street; Dee's Apparel, 463 Castro street; Sierra Electric Co., 3112 Geary boulevard; or at the committee's office, 536 Mason street, room 103. Phone, YU 2-9717.

3 Boys Start Blue Book On Bowling—Best Yet!

Three years ago, three boys, Steve and Phil Hargrove and Glen Hilton, came up with an idea.

The idea was to produce a junior edition of the widely referred to Blue Book, which would serve to give information to the general public. It would be a book that could be referred to for the average of any boy or girl that has bowled in the previous bowling season, as well as the results of that season, it league officers, addresses, and awards won during competition.

This first Blue Book was a "diamond in the rough" as it later turned out. Crude as it was in its original state it sold about 60 copies, at 25 cents. The next year the boys expanded on their idea and made the book bigger and more comprehensive. This book was not as well constructed but it still sold to the juniors of the Westlake leagues.

This year the boys outdid themselves. The cover is brightened up a bit with the illustration of the ball and scattered pins.

Steve and Phil, 14 and 16 respectively, are the originators and the driving force that made this idea materialize. All the typing, setting up, and cutting of mimiograph stencils was done by these boys.

PAL Indians Take Yankees, 10-6, In Opener

The Daly City PAL Indians won their opening game, 10-6 as the Indians came from behind twice, over the Parkside Yankees. At the end of 4 innings, Parkside Yankees had the Indians, 3-0.

In the top of the fifth inning Val Sabuco hit a solo home run. Then in the same inning with two out and two men on, Kimo Sherbert was called off the bench to pinch hit, he responded with a homerun. Parkside Yankees got the lead again, 6-4.

Then came the top of the seventh inning, with two outs and two men on, up stepped Kimo Sherbert, he responded with a double to clear the bases and tie the game. Then the bases loaded up and Larry Black blasted a three base hit, to put the Indians ahead for good.

Bobby Nolan was the winning pitcher. Blankenship was the loser. Ron La Rosa had 3 for 4 at the plate for the PAL Indians.

In the other games, Silver Terrace beat Parkview Terrace, 10-1, on Croney and Dutto's 3 hit pitching.

Harris of Silver Terrace had 3 for 4 at the plate. The Constables beat St. Paul, 13-5.

Pacifica Program For Playgrounds Is Complete One

The following playgrounds will be open from 10 a.m. to 4 p.m., Monday through Friday: Pedro Valley, Sanchez, Sharp Park, Vallemar and Westview Schools. Linda Mar and Pacific Manor are open through July 14 from 1 to 4 p.m., and from July 17 to the close of playgrounds, from 10 a.m. to 4 p.m.

The summer playground program is designed for all boys and girls who have completed one year of school or who are at least six years of age. Children younger than this age attending the playground must be accompanied by a responsible older person.

Included in the regular program will be activities in music, arts and crafts and nature. These special interest areas will be conducted by recreation specialists.

Program planning will be centered around weekly themes, and with emphasis on special events. The themes included in the schedule are: Hi Neighbor, Hobby and Nature, Buddy, Sports, Outer Space, On Wheels, Cowboys and Indians, and Carnival.

There will be three excusions taken by each playground during the summer: Junior Museum at Coyote Point, Fleishhacker Zoo and Golden Gate Park. These excusions are for children in the third grade and above. There will be a 25c fee for all participants to cover transportation costs, and children can check with their neighborhood playgrounds for dates.

Movies will be shown on all playgrounds to the following schedule: Mondays, 10 a.m.—Sharp Park; Mondays, 2 p.m.—Vallemar; Tuesdays, 10 a.m.—Sanchez; Tuesdays, 12 p.m.—Pedro Valley; Tuesdays, 2 p.m.—Linda Mar; Wednesdays, 10 a.m.—Westview; Wednesdays, 2 p.m.—Pacific Manor. There will be a 50 cents fee for movies. Films to be shown are: "The Seventh Voyage of Sinbad," "Saskatchewan," "The Private War of Major Benson," "Alice in Wonderland," "Blue Grass of Kentucky," "Tumbleweed," "Golden Age of Comedy," and "Treasure Island."

Children must register with the recreation leaders at the playgrounds in order to provide emergency information to the Department. Cards will be provided for this purpose.

The recreation leader staff for the summer program and their assignment are: Linda Mar—Joan Scott and Dan Vincent; Sanchez — Joan Westerlund and Frank Chaidez; Sharp Park—Randy Myers and Karen Wilson; Pacific Manor—Hildebert Van Buren and Mary Barrett; Pedro Valley—Jean Buckley and Louis Ohls; Vallemar —Jim Washington and Shirley Willett; Westview — Claudia Doyle and Jim Boyette; Arts & Crafts—Dart Blum; Music — Karen Watson; Baseball — Jarvia Doyle and Gerald Galvin.

ADD MILES TO TIRES

You can add miles to the life of your tires by keeping them properly inflated. National Automobile Club advises you to check them once a week.

It's SPARE TIME

at Westlake Bowl

Don McTonnell of the Montague's team believes that good things always come in pairs. Converting the 5-7 split is quite difficult for a right-hander, but for a left-hander it's almost impossible, that is, to anyone but Don. Last week southpaw Don converted it twice in the same game.

With a goal of $10,000 for PAL, Jane and John Doelger report the Third Annual Daly City Police Athletic League Benefit Bowling Tournament off to a roaring start. Capt. Roy Beecher and his crew have rounded up prizes even surpassing last year's collection. Many groups have registered to compete together thereby qualifying for the special prizes for groups of 20 or more.

July 11 has been designated as Bowlers Night at the 25th Anniversary Ice Follies Show and Westlake will be well represented. Primo Liberatore, Tour Director at the Bowl, has made arrangements for a combination buffet, round trip bus transportation and $4 seat for a total cost of $5.50. Advance reservations may be made at the concourse desk at the Bowl.

All action stopped last Wednesday night as Tony Miley picked up steam. Bowling in the Westlake Junior Majors, Tony had a total of 518 after his first two games, including a 276 game. As he started the third game more and more spectators gathered behind the lanes, but Tony was up to the pressure. Needing a 197 game to pass Ron Anguillo's Westlake high of 714, he ran into a difficult split in the seventh frame, but bounced back for a 191 game 709 total series—only the second one over the 700 mark during the 31 months of operation.

More and more groups are adding bowling parties to their social schedules. Last week Standard Brands, Travelers Insurance Company, Dohrmann Hotel Supply and Stonestown Pharmacy were among those who took to the lanes.

Boyd Hillyer and Ralph Ostergren upheld the honor of Westlake on foreign lanes as they placed 29th and 58th respectively in the 12th Annual Peach Handicap Tournament in Modesto.

Chief Roland Petrocchi and Capt. Roy Beecher led the PAL Five to San Carlos last Saturday for the Regionals of the Bowling Proprietors' Association Team Handicap Tournament.

Welcome back to Dick Truesdell, our resident instructor. Dick has recovered from his recent automobile accident and is back on the lanes showing how it's done.

There will be a new instruction league forming at 10 a.m. on Mondays under the direction of Dick Truesdell and Rick Dreier. This group activity will commence on July 10.

Mildred Garrett and son Harold are doing their utmost to break open the Mother and son Divisilon of the Family Doubles as they just missed that top spot on their sixth entry. There is still plenty of time to enter in any of the eight divisions in this Family Fun Tourney.

Westlake Junior bowlers took there of the first four places in the San Francisco Junior Bay Area Classic League which finished last week. In the final playoff for first place, the Westlake Carriers won by a total of 80 pins with Joe Marasco and Jim Fisher leading the way with 571 and 614 series respectively. Jim McFadden, third member of the winning team, unable to bowl in the morning round, bowled a 254-game in the afternoon. The teams and parents will be feted at a banquet next week.

Volunteers For Recreation Is Pacifica Need

Pacifica's Park, Beach and Recreation Department has sent out an urgent call for interested community members to share their time and talents with the children of the community. High school students and adults are needed in many phases of the program.

Playground assistance would be appreciated in story-telling, special interest area activities, game leadership, excursion supervisors and general assistance.

Coaches, scorekeepers and umpires are needed both in the girls' softball program and in the boys' baseball leagues. Teen-agers might well find recreation for themselves while helping out in these activities.

Chaperones are also needed for teen activities to be taking place in the evenings.

It is requested that consideration of assistance be given for whatever time you might have available. It would not require a daily commitment, but rather the program would be planned to fit into your schedule with respect to both time and activity. If you can help, please contact the Recreation Department at FL 5-4151.
